Records of Town Clerk

TOWN WARRANT

Monday, February 20th, 1933

Essex, ss.

To either of the Constables of the town of Swampscott in said County:

GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and in town affairs, to assemble in their respective precincts, in said Swampscott, on Monday, the twentieth day of February, at 6 A.M., then and there to act on the following articles, viz:

At the close of the election the meeting shall adjourn to Tuesday, February 28, 1933, at 7.30 P.M. at the Town Hall.

Article 1. To choose a Moderator for one (1) year.

To choose a Town Clerk for one (1) year.

To choose three members of the Board of Selectmen for one (1) year.

To choose a Town Treasurer for one (1) year.

To choose one member of the Board of Assessors for three (3) years.

To choose a Collector of Taxes for one (1) year.

To choose two members of the School Committee for three (3) years.

To choose one member of the Board of Public Welfare for three (3) years.

To choose one member of the Board of Health for three (3) years.

To choose one member of the Water and Sewerage Board for three (3) years.

To choose one member of the Park Commission for three (3) years.

To choose one member of the Board of Trustees of the Public Library for three (3) years.

To choose one Tree Warden for one (1) year.

To choose one Surveyor of Highways for three (3) years.

To choose three Constables for one (1) year.

To choose two members of the Planning Board for three (3) years.

To choose one member of the Board of Commissioners of Trust Funds for three (3) years.

To choose eight (8) representative town meeting members in each precinct for three (3) years; To choose eight (8) representative town meeting members in each precinct for two (2) years; To choose eight (8) representative town meeting members in each precinct for one (1) year.

All to be chosen on one ballot.

Article 2. To hear and act on the reports of town officials, boards and committees.

Article 3. To see what amount of bonds will be required of the Town Clerk and Custodian of Trust Funds for the ensuing year.

Article 4. To see what action the town will take in relation to salaries of town officials for the ensuing year.

Article 5. To see if the town will authorize the Treasurer, with

the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year, beginning January 1, 1933, and to issue a note or notes therefor, payable within one year, the debt or debts incurred thereby to be paid from the revenue of said financial year.

Article 6. To see what action the town will take in relation to the recommendations not calling for the appropriation of money, as contained in the reports of officers, boards or committees.

Article 7. To see what action the town will take in relation to the recommendations calling for the appropriation or expenditure of money, the creation of a debt, or the disposition of town property, as set forth in the reports of officers, boards or committees.

Article 8. To see what action the town will take in relation to the appropriation of money for departmental and other expenses as recommended and set forth on pages 179 to 181 of the annual town report.

Article 9. To see what action the town will take in relation to the appropriation or raising of money for permanent street construction.

Article 10. To see if the town will vote to extend the pipe drain in Hawthorne Brook, a distance of 550 feet and appropriate money therefor, no work to be done until proper waivers have been signed, as recommended by the Water and Sewerage Board.

Article 11. To see if the town will vote to extend the pipe drain from Mapledale place to Walker road, a distance of 500 feet and appropriate money therefor, no work to be done until proper waivers have been signed, as recommended by the Water and Sewerage Board.

Article 12. To see if the town will vote to lay a drain and build catch basins in Forest avenue at Fuller avenue and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 13. To see if the town will vote to lay a drain and build necessary catch basins and manholes to take care of the surface water on Cherry street and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 14. To see if the town will vote to lay a drain to care for surface water in Nason road according to a plan drawn by the Town Engineer and appropriate money therefor as petitioned for by Thomas F. Winston et al.

Article 15. To see if the town will vote to construct a catch basin at the corner of Beach Bluff avenue and Bellevue road and appropriate money therefor as petitioned for by John H. Blodgett et al.

Article 16. To see if the town will vote to install a catch basin at the northeast corner of Burrill street and Paradise road and appropriate money therefor as recommended by the Board of Selectmen.

Article 17. To see if the town will vote to lay a sewer in Burpee road a distance of 160 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 18. To see if the town will vote to lay a sewer in Pleasant street, a distance of 250 feet and appropriate money therefor as recommended by the Board of Health and the Water and Sewerage Board.

Article 19. To see if the town will vote to lay a sewer in Beach avenue, a distance of 275 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 20. To see if the town will vote to lay a 6 inch water main in Beach Bluff avenue, a distance of 950 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 21. To see if the town will vote to lay a 6 inch water main in Atlantic road, a distance of 600 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 22. To see if the town will vote to lay a 6 inch water main in Ocean avenue a distance of 500 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 23. To see if the town will vote to lay a 6 inch water main in Eulow street a distance of 375 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 24. To see if the town will vote to lay a 6 inch water main in Suffolk avenue a distance of 145 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 25. To see if the town will vote to lay a 6 inch water main in Bellevue road a distance of 670 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 26. To see if the town will vote to lay a 6 inch water main in Lodge road a distance of 330 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 27. To see if the town will vote to lay a 6 inch water main in Magnolia road a distance of 265 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 28. To see if the town will vote to lay a 6 inch water main in Kensington lane a distance of 410 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 29. To see if the town will vote to lay a 4 inch water main in Lombard terrace a distance of 200 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 30. To see if the town will vote to lay a 2 inch water main in Ellis terrace a distance of 175 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 31. To see if the town will vote to lay a 2 inch water main in Ryan place a distance of 400 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 32. To see if the town will vote to lay a 2 inch water main in Brewster terrace a distance of 210 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 33. To see if the town will vote to construct a new Stand Pipe and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 34. To see if the town will vote to straighten and widen also resurface Walker road from the Railroad bridge to State road and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 35. To see if the town will vote to remove the wooden blocks on Humphrey street and resurface same with some kind of permanent pavement and appropriate money therefor as recommended by the Surveyor of Highways.

Article 36. To see if the town will vote to authorize the Board of Selectmen to take by eminent domain for purposes of a public way and widening of Beach Bluff avenue at its intersection with Humphrey street the following described parcels of land, and appropriate money therefor, as recommended by the Board of Selectmen:

Beginning at the intersection of the easterly line of Humphrey street with the northerly line of Beach Bluff avenue; thence running N 12-10-50 E for a distance of 8.54 feet; thence curving to the left with a radius of 10.0 feet for a distance of 14.14 feet to the northerly line of Beach Bluff avenue; thence running N 68-50-50 W for a distance of 8.54 feet to the point of beginning. The above parcel containing 14.7 square feet.

Beginning at the intersection of the easterly line of Humphrey street with the southerly line of Beach Bluff avenue; thence running

S 68-50-50 E for a distance of 9.74 feet; thence curving to the left with a radius of 10.00 feet for a distance of 15.44 feet to the easterly line of Humphrey street; thence running N 22-41-10 E for a distance of 9.74 feet to the point of beginning. The above parcel of land containing 20.2 square feet.

Article 37. To see if the town will vote to accept Bates road, from the present accepted portion to Charlotte road, as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, Town Engineer, dated January, 1932, and to appropriate money therefor, as petitioned for by Louis Eigner et al.

Article 38. To see if the town will vote to appropriate \$800.00 for a truck and equipment, to replace truck formerly used for brush and dump fires, which gave out last year, as recommended by the Board of Fire Engineers.

Article 39. To see if the town will vote to appropriate \$450.00 for 500 feet 2½ inch hose, as recommended by the Board of Fire Engineers.

Article 40. To see if the town will vote to appropriate \$300.00 to rebuild old sewer line, and do necessary plumbing at the Central Fire Station as recommended by the Board of Fire Engineers.

Article 41. To see if the town will vote to appropriate \$110.00 to place a drafting post at Foster's Dam as recommended by the Board of Fire Engineers.

Article 42. To see if the town will vote to grade and resurface the grounds at the Machon School, raise and appropriate money therefor, or do or act anything in relation thereto as recommended by the School Committee.

Article 43. To see if the town will appropriate money to enable the School Committee to install a new heating system in the Clarke School, as recommended by the School Committee.

Article 44. To see if the town will vote to change the designation of a portion of the property on the southwesterly corner of Humphrey street and Crosman avenue, under the zoning by-laws, so as to permit the erection of a building thereon, to be used as a food shop and eating place in connection with the Hotel Bellevue, which occupies the balance of the lot, as petitioned for by William A. Buist et al.

Article 45. To see if the town will vote to accept the provisions of Sections 21-25 inclusive of Chapter 136 of the General Laws, an act to permit certain sports and games on the Lord's Day as petitioned for by Ralph E. Daniels et al.

Article 46. To see if the town will vote to amend its by-laws by adding thereto the following:

Hereafter in the making of appointments to town offices, or in the employment of mechanics, teamsters and laborers and other town employees, preference shall first be given to citizens of the commonwealth who are residents of the town and who have served in the army, navy or marine corps of the United States in time of war and who have been honorably discharged therefrom or released from active duty therein, and who are qualified to perform the work to which the employment relates, as petitioned for by John T. Lee et al.

Article 47. To see if the town will vote to adopt a resolution whereby applicants for employment, for any town department, not under civil service law, having no mental or physical infirmities, and having been resident citizens of the town during a period of not less than five (5) consecutive years, be given first consideration for either temporary or permanent employment. The Board of Selectmen to be empowered thereof and authorized to enforce same, as petitioned for by Wayne Anderson et al.

Article 48. To see if the town will vote to instruct the Board of Selectmen or whoever may be given charge of unemployment relief to use the first two thousand dollars of any money appropriated for the relief of unemployment, to prepare Windsor avenue for water service as petitioned for by Francis G. Wadleigh et al.

Article 49. To see if the town will vote to appropriate a sufficient sum of money for a suitable observance of the Fourth of July.

Article 50. To see if the town will vote to instruct the Surveyor of Highways to place Pitman road in proper condition and appropriate money therefor as petitioned for by Francis H. Humphreys et al.

Article 51. To see if the town will vote to transfer from the Cemetery Lots Fund Income, the sum of \$400 for the purchase of loam to be used in grading lots at the cemetery as recommended by the Board of Selectmen.

Article 52. To see what amount of money the town will vote to transfer from the Excess and Deficiency account to be used by the Assessors in fixing the tax rate for the year 1933.

Article 53. To see if the town will vote to build a drain in Shelton road for the purpose of relieving surface water conditions in that street and appropriate money therefor.

Article 54. To see what action the town will take in relation to the appropriation of money for the relief of unemployment.

Article 55. To see if the town will accept donations from any department.

Article 56. To appropriate and raise by borrowing or otherwise, under any general or special law which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

The polls will close at 6 P.M.

And you are directed to serve this warrant by posting an attested copy thereof at the Town Hall, the Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this twenty-sixth day of January, A. D. 1933.

R. WYER GREENE,
EDWARD LACROIX,
Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott on Thursday, February 2, 1933, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD,
Constable.

ANNUAL TOWN MEETING

Monday, February 20, 1933

In accordance with the foregoing warrant the voters of Swampscott assembled at their voting places in the several precincts and were called to order at 6 o'clock A.M. by the presiding officers. The warrant calling the meeting and the return thereon was read by the clerk in each precinct.

The following were appointed precinct officers and qualified for same:

Precinct 1. Warden, Edward J. Jordan; Clerk, John H. Keating; Inspectors, Lewis A. Coleman, Wilbert J. Arsenault; Tellers, William H. Dow, Addie F. Nelson, Lauretta M. Fournier, Florence M. Child.

Precinct 2. Warden, Louis N. Crocker; Clerk, John E. Coville; Inspectors, Charles R. Dudley, Carl J. Berry; Tellers, Martha Duren, Mary A. Collins, Belle M. Walsh, Laura J. Pollay.

Precinct 3. Warden, Stuart P. Ellis; Clerk, Albert D. Stone; Inspectors, Harold R. Young, George F. Clay; Tellers, Charles F. Watts, Alfred J. Duratti, Byron E. Porter, William H. MacFarlane.

Precinct 4. Warden, Raymond H. Owen; Clerk, Thomas J. McManus; Inspectors, Leon W. Howard, Horace P. Fifield; Tellers, Dorothy E. Farnham, Bessie F. Maguire, Nellie M. McManus, Annie L. Hanley.

Precinct 5. Warden, Thomas J. Boyce; Clerk, Rudolph Cullen; Inspectors, Irving A. Curtis, Harold Kehoe; Tellers, John T. Morrison, Alice E. Leslie, Winnifred G. Jacobs, Mary V. Deshone.

Precinct 6. Warden, John T. Merchant; Clerk, Harvey L. Southward; Inspectors, Harry G. Hutchinson, George H. Coan; Tellers, Flora E. Hooper, Charles N. Gallup, George Chaisson, Henry E. Acker.

Precinct 7. Warden, Charles D. Addison; Clerk, Ralph H. Reed; Inspectors, Charles M. Cahoon, Francis McCarran; Tellers, Catherine Hodges, Helen E. Peach, Annie L. Ward, Anna M. Burke.

Precinct 8. Warden, Charles A. Flagg; Clerk, Cyril J. Gannon; Inspectors, Alfred H. Titus, Ellen Q. Lynch; Tellers, Olive E. Flagg, Margaret J. Duratti, Annie T. Connors.

The balloting started at 6 o'clock A.M. and the count started at 1 o'clock P.M. The ballot boxes registered correctly and the checks on the voting list were the same as the vote cast.

There were cast in Precinct 1, 568; Precinct 2, 475; Precinct 3, 469; Precinct 4, 459; Precinct 5, 474; Precinct 6, 473; Precinct 7, 464; Precinct 8, 387. Total vote cast 3769. Precinct 4 was the first to make a return at 9.10 P.M. and Precinct 6 was the last at 11.25 P.M.

RALPH D. MERRITT,
Town Clerk.

Finance Committee

John R. Hurlburt, Moderator of the Town of Swampscott, appointed the following to serve on the Finance Committee:

- Precinct 1 Andrew B. Holmes, for 2 years
- Precinct 2 Harold F. Merrill, for 2 years
- Precinct 3 Leland S. Ross, for 1 year
- Precinct 4 Ralph H. Cary, for 3 years
- Precinct 5 Paul W. Brickett, for 3 years
- Precinct 6 Roger W. Pope, for 3 years
- Precinct 7 Harry E. Whitten, for 1 year
- Precinct 8 John H. Blodgett, for 3 years

Attest:

RALPH D. MERRITT,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

Tuesday, February 28, 1933

In accordance with the adjournment of February 20, 1933, the town meeting members assembled at the Town Hall and were called to order by John R. Hurlburt, Moderator, the necessary quorum being present (138 members).

Voted to dispense with the reading of records of last meeting.

Voted, Article 2. To be laid on the table.

The Finance Committee report was read by John H. Blodgett, Chairman.

REPORT OF THE FINANCE COMMITTEE

To the Members of the Limited Town Meeting:

In submitting to you our recommendations for the budget for the year 1933 we have not been unmindful of the general economic situation and the demand for a reduction in town expenses in line with the action that has already been taken by other towns similar to that of Swampscott. One must realize, however, that there are various government activities to which we have become accustomed and which seem to be demanded. We have studied this phase of the situation, and have dealt with the budget as submitted to us by the various department heads.

The bulk of the expenditures under this budget is for wages; and it is here that a saving, if any, must be made. As submitted to us, the wages represent 65 per cent of the total budget.

Of the three hundred and fifty-four towns and cities in Massachusetts there are only four with an area less than that of Swampscott, viz: Nahant, Winthrop, Chelsea and Hull. Swampscott has an area of 3.1 square miles. There is no reason why, within this area, affairs cannot be properly organized to obtain the maximum efficiency at a minimum expense. Our population being entirely residential, it is difficult to ascertain to what extent our residents have been affected by the general depression.

Our tax collector reports that on January 1, 1931, there was outstanding in taxes \$108,531.86, that on January 1, 1932, there was \$126,199.44, and on January 1, 1933, there was \$193,002.96. This does not represent a healthy condition. As of December 1, 1932, he reports that no payment at all had been made on 933 tax bills, and that only partial payments had been made on 144 others. These together represent 36 per cent of the total tax bills sent out. This would indicate an increasing difficulty by citizens in meeting government expense.

On the question of wages, it is interesting to note that in accordance with the law the Town Meeting Members cannot in every instance fix the wage. They can determine the amount of compensation to be paid elective Town Officials, and they can determine by vote the gross amount of money to be expended by department heads for wages. They can, also, recommend what, in their opinion, the wage should be, commensurate with the appropriation, and this having been done, the burden will be placed upon the head of the elected and appointed officials to carry out the intention of the vote and regulate their wages accordingly.

For this reason we are this year submitting a segregated budget, separating the wages from other expenses, believing it unnecessary at this time to further segregate the "other expenses."

In making the appropriations for salaries and wages of all Town Officials and employees of every class, we have, as nearly as practical, reduced the amounts appearing in 1932 by 10 per cent; and it is the spirit and intention of the Finance Committee that all salaries and wages should be made 10 per cent less than last year.

It is not possible at this time of the year to accurately estimate the State Taxes or the amounts due from Income and Corporation Taxes. From the Tax Commissioner's office and from the Town Report, however, there are certain figures available from which anticipated results can be approximated; and we believe that if our recommendations are adopted, the tax rate can be maintained. If State and County Taxes are not increased, we may expect a lower tax rate, thus relieving the burden on real estate and the amounts our citizens now pay in taxes.

Article 3—We recommend that the Town Clerk be required to furnish a bond in the amount of \$1,000 and that the custodian of trust funds be required to furnish a bond in the sum of \$10,000.00 for the ensuing year.

Article 4—We recommend that the salaries of all town officials be reduced 10 per cent for the ensuing year.

Article 5—We recommend that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow up to \$600,000.00 from time to time in anticipation of the revenue of the financial year beginning January 1, 1933, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1933.

Article 8—We recommend that the item for water of \$64,000.00 and also the item for emergency water of \$2,500.00, under their respective headings, be taken from the estimated receipts of the Water Department for the current year. We recommend that the following amounts be appropriated for the various departments for the ensuing year:

General Government

	Salaries and Wages	Others	Total
Town Meeting		\$100.00	\$100.00
Moderator	\$90.00		90.00
Selectmen	2,820.00	450.00	3,270.00

--------------	--------------	--------------	--------------

Article 9—We recommend that action on this article be indefinitely postponed.

Article 10—In this article, as well as all other articles following, in which we recommend that money be transferred from the "Water Available Surplus" and from the "Emergency Sewer Fund," the recommendations have only been made after they were approved by the Water and Sewerage Board and by the Town Engineer.

In reference to this article, we recommend that the sum of \$2,300.00 be transferred from the "Emergency Sewer Fund" for the purpose of doing this work. No work is to be done until proper waivers have been signed as recommended by the Water and Sewerage Board.

Article 11—In this case we recommend that the sum of \$1,800.00 be transferred from the Emergency Sewer Fund for the purpose of extending the pipe drain from Mapledale place to Walker road. No work is to be done until proper waivers have been signed as recommended by the Water and Sewerage Board.

Article 12—In this case we recommend that the sum of \$800.00 be transferred from the Emergency Sewer Fund for the purpose of laying a drain and building catch basins in Forest avenue at the junction of Fuller avenue.

Article 13—We recommend that the sum of \$600.00 be transferred from the Emergency Sewer Fund for the purpose of laying a drain and building necessary catch basins and manholes to take care of the surface water on Cherry street.

Article 14—We are advised by the Town Engineer that there is no present necessity for laying a drain in Nason road. We therefore recommend that action on this article be indefinitely postponed.

Article 15—We are advised by the Town Engineer that little or no relief would come from installing a catch basin at the corner of Beach Bluff avenue and Bellevue road as long as Beach Bluff avenue is in its present shape. We therefore recommend that action on this article be indefinitely postponed.

Article 16—We recommend that the sum of \$150.00 be transferred from the Emergency Sewer Fund for the purpose of installing a catch basin at the Northeast corner of Burrill street and Paradise road.

Article 17—We recommend that the sum of \$700.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Burpee road, a distance of 160 feet.

Article 18—We recommend that the sum of \$1,500.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Pleasant street, a distance of 250 feet.

Article 19—We recommend that the sum of \$1,200.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Beach avenue, a distance of 275 feet.

Article 20—We recommend that the sum of \$2,000.00 be transferred from the Water Available Surplus for the purpose of laying a new six inch pipe in Beach Bluff avenue in place of the old cement lined pipe which is at present located there.

Article 21—We recommend that the sum of \$1,200.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Atlantic road, a distance of about 600 feet.

Article 22—We recommend that the sum of \$925.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Ocean avenue, a distance of about 500 feet.

Article 23—We recommend that the sum of \$850.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Eulow street, a distance of about 375 feet.

Article 24—We recommend that the sum of \$525.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Suffolk avenue, a distance of about 145 feet.

Article 25—We recommend that the sum of \$1,500.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Bellevue road, a distance of about 670 feet.

Article 26—We recommend that the sum of \$700.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Lodge road, a distance of about 330 feet.

Article 27—We recommend that the sum of \$600.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Magnolia road, a distance of about 265 feet.

Article 28—We recommend that the sum of \$2,000.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Kensington lane, a distance of about 410 feet.

Article 29—We recommend that the sum of \$360.09 be transferred from the Water Available Surplus for the purpose of laying a four inch water main in Lombard terrace, a distance of about 200 feet.

Article 30—We recommend that the sum of \$350.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Ellis terrace, a distance of about 175 feet.

Article 31—We recommend that the sum of \$750.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Ryan place, a distance of about 400 feet.

Article 32—We recommend that the sum of \$750.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Brewster terrace, a distance of about 210 feet.

Article 33—Since the erection of the old stand pipe many years ago, the town has spread out to such an extent that at the present time the water pressure in some parts of the town is wholly inadequate. Further, the present stand pipe is fast showing signs of decay; and in order to provide anywhere near reasonable pressure and a fair water supply upon which the town could rely, it is apparent that the old stand pipe should be replaced with a new one of much larger size and stability. We therefore recommend that the sum of \$25,000.00 be transferred from the Water Available Surplus for the purpose of constructing a new stand pipe as recommended by the Water and Sewerage Board.

Article 34—We are advised by the Town Engineer that to straighten, widen, and resurface Walker road from the railroad bridge to the State road would cost about \$6,000.00 While the road could be improved, it is in very fair condition and does not call for the expenditure of any such amount at the present time. We therefore recommend that further action upon this article be indefinitely postponed.

Article 35—In reference to the removal of the wooden blocks on Humphrey street and resurfacing the same with some kind of permanent pavement, we are advised by the Town Engineer and the Surveyor of Highways that this would cost about \$20,000.00. This is work which we feel should not be undertaken without some financial assistance from both the County and the State. The road is in fair condition and in all probability will give good service for a long time to come. We therefore recommend that action on this article be indefinitely postponed.

Article 36—With reference to this article, it does seem that the work as proposed should be done and the Board of Selectmen should be authorized to take, by eminent domain, for the purpose of a public way and widening Beach Bluff avenue at its intersection with Humphrey street, the parcels of land described in said article. We are reliably informed that the cost of this taking would not exceed the sum of \$100.00. We therefore recommend that the sum of \$100.00 be appropriated for the purpose of allowing the town to take the necessary land, and that the Board of Selectmen be authorized to take the aforesaid property by eminent domain.

Article 37—We are advised by the Town Engineer that at the present time he would not consider it advisable and expedient to accept Bates road. We therefore recommend that further action upon this article be indefinitely postponed.

Article 38—We are impressed with the necessity of the Fire Department for a new truck to replace the truck formerly used for brush fires which gave out last year. Such a truck would serve many times to answer calls which would otherwise have to be answered by the new pump. The truck which is proposed to be purchased could answer any calls in sections of the town where it not only would be dangerous, but also would be poor economy to send the new pump. We therefore recommend that the sum of \$800.00 be appropriated for the purchase of a truck and equipment.

Article 39—Five hundred feet of 2½ in. hose will simply take the place of hose which has actually been discarded as no longer

serviceable and will only keep the amount up to a fair standard of proper equipment. We therefore recommend that the sum of \$450.00 be appropriated for the purpose of purchasing 500 feet of 2½ in. hose.

Article 40—With reference to this article, it is obviously necessary that something should be done to remedy conditions and to rebuild the old sewer line and do necessary plumbing at the Central Fire Station. We therefore recommend that the sum of \$300.00 be appropriated for this work.

Article 41—It would apparently save much time and trouble for the Fire Department if a drafting post could be placed in the vicinity of Foster's Dam. We therefore recommend that the sum of \$110.00 be appropriated for the purpose of erecting a drafting post at the aforesaid location.

Article 42—In this case it would appear that if the work is done at all, it might well be done by some of the unemployed and that the cost of doing the work should come out of the Unemployment Fund. We therefore recommend that action on this article be indefinitely postponed.

Article 43—With reference to the Clarke School which is now heated by four hot-air furnaces that have been in use for many years, the top sections of the heaters are so badly cracked that it is doubtful if they will last until June. If the crack should extend through the tops of the heaters, it would allow gas to escape to such an extent that the school very likely would have to be closed. The installation of a new heating system in the school is absolutely necessary. We therefore recommend that the sum of \$5,000.00 be appropriated for the purpose of installing a new heating system in the Clarke School.

Article 49—In view of general conditions, we do not feel like recommending any appropriation for the observance of the Fourth of July. Nothing could be worth while without the expenditure of at least \$1,000.00 and at the present time it seems like a waste of money. We therefore recommend that action on this article be indefinitely postponed.

Article 50—Pitman road, which is much used, can be put in proper condition, according to the Surveyor of Highways, for the sum of \$200.00. We therefore recommend that the sum of \$200.00, be appropriated for this work.

Article 51—To transfer from the Cemetery Lots Fund Income the sum of \$400.00 for the purchase of loam to be used in grading lots at the Cemetery, appears to be a matter of good business. We therefore recommend that the sum of \$400.00 be transferred from the Cemetery Lots Fund Income to be used for the purchase of loam.

Article 52—We recommend a transfer from the Excess and Deficiency account to be used by the Assessors for the purpose of fixing the tax rate for the year 1933 of such amounts as may from time to time be approved by the Commissioner of Corporations and Taxation.

Article 53—With reference to building a drain in Shelton road, we are advised that the town has never accepted this street, and it has always been contrary to the sound policy of the town to make any repairs in a street that has not been previously accepted. We therefore recommend that action on this article be indefinitely postponed.

Article 54—At the present time there is between \$5,000.00 and \$6,000.00 in the unemployment fund which was appropriated at a special meeting in December last. We feel that the amount now on hand will be sufficient to take care of the unemployment needs for at

least two months to come. This problem is now of the greatest magnitude. While we must take care of all meritorious cases, some new arrangement should be made to insure a thoroughly efficient system of administering such a fund; otherwise all our economies will be futile and of no avail. We therefore recommend that action on this article be indefinitely postponed.

Finance Committee.

Voted, Article 3. To accept the report of the Finance Committee, and adopt their recommendations, as follows:

That the Town Clerk, be required to furnish a bond in the amount of \$1,000. and that the custodian of trust funds be required to furnish a bond in the sum of \$10,000. for the ensuing year.

Voted, Article 4. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That the salaries of all town officials be reduced 10 per cent for the ensuing year.

Voted, Article 5. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow up to \$600,000.00 from time to time in anticipation of the revenue of the financial year beginning January 1, 1933, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1933. (Unanimous.)

Voted, Article 6. To be laid on the table.

Voted, Article 7. To be laid on the table.

Voted, Article 8. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the item for water of \$64,000.00 and also the item for emergency water of \$2,500.00 under their respective headings, be taken from the estimated receipts of the Water Department for the current year; and that the following amounts be appropriated for the various departments for the ensuing year. (Unanimous.)

Voted, Article 9. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 10. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$2,300.00 be transferred from the "Emergency Sewer Fund" for the purpose of doing this work. No work is to be done until proper waivers have been signed as recommended by the Water and Sewerage Board.

Voted, Article 11. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$1,800.00 be transferred from the "Emergency Sewer Fund" for the purpose of extending the pipe drain from Mapledale Place to Walker Road. No work to be done until the proper waivers have been signed as recommended by the Water and Sewerage Board.

Voted, Article 12. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$800.00 be transferred from the "Emergency Sewer Fund" for the purpose of laying a drain and building catch basins in Forest Avenue at the junction of Fuller Avenue.

Voted, Article 13. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$600.00 be transferred from the "Emergency Sewer Fund" for the purpose of laying a drain and building necessary catch basins and manholes to take care of the surface water on Cherry Street.

Voted, Article 14. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 15. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 16. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$150.00 be transferred from the Emergency Sewer Fund for the purpose of installing a catch basin at the Northeast corner of Burrill Street and Paradise Road.

Voted, Article 17. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$700.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Burpee Road a distance of 160 feet.

Voted, Article 18. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$1,500.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Pleasant Street, a distance of 250 feet.

Voted, Article 19. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$1,200.00 be transferred from the Emergency Sewer Fund for the purpose of laying a sewer in Beach Avenue, a distance of 275 feet.

Voted, to take up Articles 20 to 32 inclusive together.

Voted, Articles 20 to 32 inclusive. To accept the report of the Finance Committee on Articles 20 to 32 inclusive, and adopt their recommendations on these articles as follows:

Article 20. That the sum of \$2,000.00 be transferred from the Water Available Surplus for the purpose of laying a new six inch water pipe in Beach Bluff Avenue, in place of the old cement lined pipe which is at present located there.

Article 21. That the sum of \$1,200.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Atlantic Road a distance of about 600 feet.

Article 22. That the sum of \$925.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Ocean Avenue, a distance of about 500 feet.

Article 23. That the sum of \$850.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Eulow Street, a distance of about 375 feet.

Article 24. That the sum of \$525.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Suffolk Avenue, a distance of about 145 feet.

Article 25. That the sum of \$1,500.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Bellevue Road, a distance of about 670 feet.

Article 26. That the sum of \$700.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Lodge Road, a distance of about 330 feet.

Article 27. That the sum of \$600.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Magnolia Road, a distance of about 265 feet.

Article 28. That the sum of \$2,000.00 be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Kensington Lane, a distance of about 410 feet.

Article 29. That the sum of \$360.09 be transferred from the Water Available Surplus for the purpose of laying a four inch water main in Lombard Terrace, a distance of about 200 feet.

Article 30. That the sum of \$350.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Ellis Terrace, a distance of about 175 feet.

Article 31. That the sum of \$750.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Ryan Place, a distance of about 400 feet.

Article 32. That the sum of \$750.00 be transferred from the Water Available Surplus for the purpose of laying a two inch water main in Brewster Terrace, a distance of about 210 feet.

Voted, Article 33. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$25,000.00 be transferred from the Water Available Surplus for the purpose of constructing a new Stand Pipe, as recommended by the Water and Sewerage Board.

Voted, Article 34. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 35. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 36. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$100 be appropriated for the purpose of allowing the town to take the necessary land, and that the Board of Selectmen be authorized to take the aforesaid property by eminent domain.

Beginning at the intersection of the easterly line of Humphrey Street with the northerly line of Beach Bluff Avenue; thence running N 12-10-50 E for a distance of 8.54 feet; thence curving to the left with a radius of 10.0 feet for a distance of 14.14 feet to the northerly line of Beach Bluff Avenue; thence running N 68-50-50 W for a distance of 8.54 feet to the point of beginning. The above parcel of land containing 20.2 square feet. (Unanimous.)

Beginning at the intersection of the easterly line of Humphrey Street with the southerly line of Beach Bluff Avenue; thence running S 68-50-50 E for a distance of 9.74 feet; thence curving to the left with a radius of 10.00 feet for a distance of 15.44 feet to the easterly line of Humphrey Street; thence running N 22-41-10 E for a distance of 9.74 feet to the point of beginning. The above parcel of land containing 20.2 square feet. (Unanimous.)

Voted, Article 37. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 38. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$800.00 be appropriated for the purchase of a truck and equipment for the Fire Department.

Voted, Article 39. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$450.00 be appropriated for the purpose of purchasing 500 feet of 2½ inch hose, for the Fire Department.

Voted, Article 40. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$300.00 be appropriated for the purpose of this article, viz: to rebuild the old sewer line and do the necessary plumbing at the Central Fire Station.

Voted, Article 41. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$110.00 be appropriated for the purpose of erecting a drafting post at the aforesaid location.

Voted, Article 42. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Voted, Article 43. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$5,000.00 be appropriated for the purpose of installing a new heating system in the Clarke School.

Article 44, being a change in the Zoning By-laws, a hearing was declared. No one appeared for the change. Judge Ralph W. Reeve appeared against.

The Planning Board reported that action on this article be indefinitely postponed.

Voted, Article 44. To accept the report of the Planning Board and adopt their recommendations as follows:

That action on this article be indefinitely postponed.

Article 45, was on the ballot.

Voted, Article 46. Action under this article be indefinitely postponed.

Voted, Article 47. Action under this article be indefinitely postponed.

Voted, Article 48. Action under this article be indefinitely postponed.

Voted, Article 49. Action under this article be indefinitely postponed.

Voted, Article 50. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$200.00 be appropriated for the purpose of this Article.

SPECIAL STATE ELECTION

The Commonwealth of Massachusetts

Essex ss.

To either of the Constables of the Town of Swampscott in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in elections to meet in their respective precincts in said Swampscott on Tuesday, June 13, 1933, at 2.00 o'clock P.M., for the following purposes:

To bring in their votes to the Election Officers on one ballot for the following offices:

Election of delegates to a constitutional convention called to ratify or reject the following amendment to the constitution of the United States, proposed by joint Resolution of Congress.

Text of the proposed amendment.

"Section 1. The eighteenth article of amendment to the Constitution of the United States is hereby repealed.

"Section 2. The transportation or importation into any State, Territory, or possession of the United States for delivery or use therein of intoxicating liquors, in violation of the laws thereof, is hereby prohibited.

"Section 3. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by conventions in the several States, as provided in the Constitution, within seven years from the date of the submission hereof to the States by the Congress."

To vote YES or NO on the following question:

"Shall licenses be granted in this town for the sale therein of wines and malt beverages?" YES ☐ NO ☐

The polls will be open from 2 P.M. to 8 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not, and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this first day of June, A.D., 1933.

C. FRANK HATHAWAY,

EDWARD LACROIX,

R. WYER GREENE,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott, on Saturday, June 3, 1933, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD, Constable.

SPECIAL STATE ELECTION, Tuesday, June 13, 1933.

In accordance with the foregoing warrant the voters of Swampscott, assembled at their voting places in the several precincts and were called to order at 2 o'clock P.M. by their presiding officers. The warrant calling the meeting and the return thereon was read by the clerk in each precinct.

The following were appointed precinct officers and qualified for same:

Precinct 1. Warden, Edward H. Jordan; Clerk, John H. Keating; Inspectors, Lewis A. Coleman, Wilbert J. Arsenault.

Precinct 2. Warden, Louis N. Crocker; Clerk, John E. Coville; Inspectors, Carl J. Berry, Francis H. McCarron.

Precinct 3. Warden, Stuart P. Ellis; Clerk, Albert D. Stone; Inspectors, Harold R. Young, Leonard H. Bates.

Precinct 4. Warden, Edward A. Sawyer; Clerk, Joseph D. Hanley; Inspectors, John B. Cahoon, Leon W. Howard.

Precinct 5. Warden, Raymond H. Owen; Clerk, Irving A. Curtis; Inspectors, Walter L. Kehoe, Rudolph Cullen, Jr.

Precinct 6. Warden, Timothy J. Ryan; Clerk, Harvey L. Southward; Inspectors, Harry G. Hutchinson, George H. Coan.

Precinct 7. Warden, Charles D. Addison; Clerk, Eustis B. Grimes; Inspectors, Charles M. Cahoon, Henry Acker.

Precinct 8. Warden, Charles A. Flagg; Clerk, Cyril J. Gannon; Inspectors, Alfred H. Titus, Ellen Q. Lynch.

The balloting started at 2 o'clock P.M. and the count started at 8 P.M. The ballot boxes registered correctly and the check on the voting list were the same as the vote cast. Polls closed at 8 P.M.

There were cast in Precinct 1, 234; Precinct 2, 233; Precinct 3, 243; Precinct 4, 252; Precinct 5, 250; Precinct 6, 250; Precinct 7, 279; Precinct 8, 326. Total vote cast, 2,067. Precinct 5 was the first to make a return at 8.30 P.M. and Precinct 4 was the last at 9.35 P.M.

For Delegates to Constitutional Convention called to Ratify or Reject the repeal of the eighteenth amendment to the Constitution of the United States.

Delegates Opposed to Ratification (Against Repeal).

Attest:

RALPH D. MERRITT, Town Clerk.

SPECIAL TOWN MEETING

Monday, November 6, 1933

Essex ss.

To either of the Constables of the Town of Swampscott in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and in town affairs, to assemble in the Town Hall in said Swampscott, on Monday, the sixth day of November, at 7.45 P.M., then and there to act on the following articles, viz.

Article 1. To see if the town will vote to transfer from the account of Excess and Deficiency the amount of \$1,935.77 to be allotted to the following accounts in the sums named below.

Collector of Taxes, wages, \$7.20; Police, wages, \$1,171.56; Fire, wages, \$637.66; Health, wages, \$50.85; Health Nurse, wages, \$22.50; Dumps, wages, \$17.00; Dental Clinic, wages, \$20.00; Heat and Light G. A. R. Hall, wages, \$9.00; all of the above to cover the 10 per cent of the budget not appropriated to cover the period from January 1 to March 2 at which time the vote of the town meeting became effective.

Article 2. To see if the town will vote to transfer from the account of Overlay Reserve to the account of Public Welfare the sum of \$4,000 as petitioned for by the Board of Public Welfare.

Article 3. To see if the town will vote to transfer from the account of Excess and Deficiency to the account of Soldiers' Relief the sum of \$1,500 as petitioned for by the Soldiers' Relief Agent.

Article 4. To see if the town will vote to transfer from the account of Cemetery Lots Fund the sum of \$399.36 and from the ac-

count of Cemetery Lots Fund Income the sum of \$3,600.64 to the account of Cemetery Improvement, the total amounting to \$4,000 to be expended under the direction of the Board of Selectmen.

Article 5. To see if the town will vote to transfer from the account of Excess and Deficiency to the account of Election and Registration the sum of \$1,200 to cover the expense of the Special Primary of November 28 and Special Election of December 12 as ordered by the Commonwealth.

Article 6. To see if the town will vote to transfer from the account of Law, Others, to the account of Law, Wages, the sum of \$157 as recommended by the Board of Selectmen.

Article 7. To see if the town will vote to transfer from the account of Excess and Deficiency to the account of the Mapledale Place Drain the sum of \$300 as recommended by the Board of Selectmen.

Article 8. To see if the town will vote to transfer from the account of Excess and Deficiency to the account of Insurance the sum of \$110.50 as recommended by the Board of Selectmen.

Article 9. To see if the town will vote to transfer from the account of School, Others, to the account of School, Wages, the sum of \$350 as recommended by the School Committee.

Article 10. To see if the town will authorize the Board of Park Commissioners to fill, grade and inclose any section of Phillips Park, erect bleachers and necessary locker and other rooms, and generally to establish a suitable athletic field thereon; and to that end appropriate money to be raised by transfer, by tax levy, by borrowing or by any other means or from any source that the town may raise or obtain money, under any general or special law, State or Federal, as petitioned for by the Board of Park Commissioners.

Article 11. To appropriate and raise by borrowing under any general or special law which authorizes the town to borrow money, or otherwise, such sum or sums of money as may be necessary for any or all the purposes mentioned in the foregoing articles.

And you are directed to serve this warrant by posting attested copies thereof at the Town Hall, Post Offices and three other public and conspicuous places in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this twenty-third day of October, A.D., 1933.

C. FRANK HATHAWAY,
EDWARD LACROIX,
R. WYER GREENE,
Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott, on Thursday, October 26, 1933, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD,
Constable.

Article 10. In considering this article we have conferred with the Board of Park Commissioners and have examined their plans and diagrams for the purpose of establishing an enclosed football field at Phillips Park.

Estimates were submitted which call for an expenditure of over \$30,000 for this proposed field, bleachers and locker building—17,000 cubic yards of fill at 50 cents, \$8,500—Spreading fill, \$2,000—Loam, \$4,500.00—Fence, \$2,700.00 — Bleachers and locker building, \$12,300.00.

It would help the High School Athletics to have an enclosed field but to carry out the proposed plans on Phillips Park it will be necessary to borrow a considerable sum of money. It means increasing the bonded indebtedness of the town and increased interest charges.

We do not believe the present conditions warrant such a large expenditure for establishing an enclosed field. We therefore recommend that action under this article be indefinitely postponed.

Article 11. We recommend that action on this article be indefinitely postponed.

JOHN H. BLODGETT, Chairman,
PAUL W. BRICKETT,
RALPH H. CARY,
ANDREW B. HOLMES,
ROBERT F. KIMBALL,
HAROLD F. MERRILL,
ROGER W. POPE,
LELAND S. ROSS.

Voted, Article 1. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$1,836.77 be transferred from the account of Excess and Deficiency and allotted to the following accounts in the sum as designated: Collector of Taxes, Wages \$7.20; Police, Wages \$1,072.56; Fire, Wages \$637.66; Health, Wages \$50.85; Health Nurse, Wages \$22.50; Dumps, Wages \$17.00; Dental Clinic, Wages \$20.00; Heat and Light G. A. R. Hall, Wages \$9.00; for the purpose of covering the 10 per cent of the budget not appropriated to cover the period from January 1, to March 2.

Voted, Article 2. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That the sum of \$4,000.00 be transferred from the account of Overlay Reserve to the account of Public Welfare.

Voted, Article 3. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That the sum of \$1,500.00 be transferred from the account of Excess and Deficiency to the account of Soldiers' Relief.

Voted, Article 4. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That the sum of \$399.36 be transferred from the account Cemetery Lots Fund, and the sum of \$3,600.64 be transferred from the account of Cemetery Lots Fund Income, the total amounting to \$4,000.00 to the account of Cemetery Improvement to be expended under the direction of the Board of Selectmen.

Voted, Article 5. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$1,200 be transferred from the account of Excess and Deficiency to the account of Election and Registration.

Voted, Article 6. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$157.00 be transferred from Law, Others to the account of Law, Wages.

Voted, Article 7. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$300.00 be transferred from the account of Excess and Deficiency to the account of the Mapledale Place Drain.

Voted, Article 8. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$110.50 be transferred from the account of the Excess and Deficiency to the account of Insurance.

Voted, Article 9. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$350.00 be transferred from the account of School, Others to the account of School Wages.

TOWN PLANNING BOARD

Report of the Town Planning Board on Article 10

With reference to that part of Article 10 calling for the erection of bleachers, necessary locker and other rooms, to establish a suitable athletic field and the inclosing of any section of said field all of which is a part of a long range plan for the development of Phillips Park by the Park Commission, the Planning Board does not recommend the adoption of the above project until the details and costs can be presented to the board and that part of Article 10 calling for grading and filling has been completed.

The Planning Board recommends the adoption of that part of Article 10 calling for the filling and grading of that section of Phillips Park designated on a map submitted by the Park Commission and approved by the Planning Board, the cost of which is estimated as \$8,500.00.

The Planning Board further recommends that all available material suitable for filling, sub-surface or top filling made available by the several town departments including ashes be deposited on Phillips Park as designated by the Park Commission.

The Planning Board further recommends that as far as possible the labor employed on this work be taken from the unemployed list.

Respectfully, submitted,

GEORGE M. GLIDDEN,
JOHN R. HURLBURT,
HERBERT E. INGALLS,
HENRY S. BALDWIN,
Planning Board.

Voted, Article 10. That action on this article be indefinitely postponed.

Voted to dissolve at 8.45 P.M.

Attest:

RALPH D. MERRITT,
Town Clerk.

RESIGNATION AND APPOINTMENT

November 22, 1933.

Notice received today of the resignation of Ralph H. Cary from the Finance Committee. John R. Hurlburt, Moderator, appointed Anson M. Titus, 90 Paradise road, a member of said committee, to fill the vacancy caused by the resignation of Mr. Cary.

RALPH D. MERRITT, Town Clerk.

SPECIAL STATE PRIMARY

The Commonwealth of Massachusetts

Essex ss.

To either of the Constables of the Town of Swampscott in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in their respective precincts in said Swampscott on Tuesday, November 28, 1933, at 12 noon for the following purposes:

To bring in their votes to the Primary Officers for the nomination of candidates of political parties for the following office:

Senator for First Senatorial District, to fill vacancy.

The polls will be open from 12 M. to 8 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not, and make due return of this warrant, with your doings thereon, at the time and place of said meeting.

Given under our hands this sixteenth day of November, A.D., 1933.

C. FRANK HATHAWAY,
EDWARD LACROIX,
R. WYER GREENE,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott, on Tuesday, November 21, 1933, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD, Constable.

SPECIAL STATE PRIMARY, TUESDAY NOVEMBER 28, 1933

In accordance with the foregoing warrant the voters of Swampscott, assembled at their voting places in the several precincts and were called to order at 12 M. o'clock, by their presiding officers. The warrant with the return thereon was read by the clerk of each precinct.

The following were appointed precinct officers and qualified for same.

Precinct 1, Warden, Edward R. Jordan, (R); Clerk, Wilbert J. Arsenault, (D); Inspectors, William H. Dow, (R), John Keating, (D); Tellers, Addie F. Nelson, (R), Marion T. Champion, (D).

Precinct 2, Warden, Louis N. Crocker, (R); Clerk, John E. Coville, (D); Inspectors, Carl J. Berry, (R), Francis H. McCarron, (D); Tellers, Laura J. Pollay, (R), Belle M. Walsh, (D).

Precinct 3. Warden, Stuart P. Ellis, (R); Clerk, Albert Stone, (D); Inspectors, George F. Clay, (R), Harold H. Young, (D); Tellers, William H. McFarlane, (R).

Precinct 4. Warden, Raymond H. Owen, (R); Clerk, Thomas J. McManus (D); Inspectors, Leon W. Howard, (R), John B. Cahoon, (D); Tellers, Dorothy E. Farnham, (R), Bessie F. Maguire, (D).

Precinct 5. Warden, Walter L. Kehoe, (D); Clerk, Rudolph J. Cullen, (R); Inspectors, Irving A. Curtis, (R), Harold Kehoe, (D); Tellers, Winnifred G. Jacobs, (R), Alice E. Leslie, (D).

Precinct 6. Warden, Timothy J. Ryan, (D); Clerk, Harvey L. Southward, (R); Inspectors, George H. Coan, (D), Harry G. Hutchinson, (R); Tellers, Selwyn P. Drown, (R), George H. Chaisson, (D).

Precinct 7. Warden, Charles D. Addison, (R); Clerk, Eustis B. Grimes, (D); Inspectors, Charles M. Cahoon, (R), Henry E. Acker, (R); Tellers, Helen E. Peach, (D).

Precinct 8. Warden, Charles A. Flagg, (R); Clerk, Cyril J. Gannon, (D); Inspectors, Alfred H. Titus, (R), Ellen Q. Lynch, (D); Tellers, Olive E. Flagg, (R), Sarah J. Conners, (D).

The balloting started at 12 M. and the count started at 5 P.M. The ballot boxes registered correctly and the checks on the voting lists were the same as the vote cast. Polls closed at 8 P.M.

There were cast the following number of votes:

Precinct 1	151	Republican	46	Democratic.
Precinct 2	116	Republican	41	Democratic.
Precinct 3	168	Republican	23	Democratic.
Precinct 4	178	Republican	31	Democratic.

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

DIVISION OF ACCOUNTS

STATE HOUSE, BOSTON

April 10, 1933.

To the Board of Selectmen, Mr. C. Frank Hathaway, Chairman,
Swampscott, Massachusetts.

Gentlemen: I submit herewith my report of an audit of the books and accounts of the town of Swampscott for the period from July 1 to December 31, 1932, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts, Department of Corporations and Taxation, State House, Boston.

Sir: In accordance with your instructions, I have made an audit of the books and accounts of the town of Swampscott for the period from July 1 to December 31, 1932, and report as follows thereon:

The financial transactions of the town, as entered on the books and records of the several departments collecting or disbursing town monies or committing bills for collection, were examined and checked for the period of the audit.

The books and accounts in the town accountant's office were examined and checked. The recorded receipts were compared with the records of the several departments collecting money for the town and with the treasurer's books, while the recorded payments were checked with the selectmen's warrants authorizing such payments and with the treasurer's books.

An analysis of the accountant's ledger was made, a trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of December 31, 1932.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were compared with the accountant's books, with the records in the several departments collecting money for the town, and with the other sources from which money is paid into the town treasury. The payments were checked with the warrants of the selectmen authorizing the treasurer to disburse town funds, with the accountant's books, and with original bills and pay-rolls on file. The cash balance on December 31, 1932, was verified by a reconciliation of statements furnished by the banks of deposit and by an actual count of cash in the office.

An examination of the paid vouchers on file, showed payments of salaries to members of town boards for clerical services rendered by them while acting as secretaries of such boards. No town vote could be found authorizing such remuneration in which connection attention is called to Section 4-A, Chapter 41, General Laws, which reads as follows:

Except as otherwise expressly provided, a town board may, if authorized by vote of the town, appoint any member thereof to another town office or position for the term provided by law, if any, otherwise for a term not exceeding one year. The salary of any such appointee shall be fixed

by vote of the town, notwithstanding the provisions of section one hundred and eight. In this section, the word "town" shall not include city.

The payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books representing the investments of the several trust and investment funds in the custody of the town treasurer were personally examined. The income was proved and the disbursements were verified.

The accounts of the town collector were examined and checked in detail. The commitment of taxes, assessments, departmental, and water accounts receivable were verified. The recorded collections were compared with the payments to the treasurer, the abatements, as recorded, were checked with the records of the departments authorized to grant such abatements, and the outstanding accounts were listed and reconciled with the accountant's ledger. A further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The deeds representing the tax titles taken by the town were examined, listed, and reconciled with the accountant's ledger. It is recommended that the validity of the tax titles be determined, so that those proved defective on account of technicalities may be charged off the books, a new and positive assessment made, and the revenue due the town collected or the property taken under the present law; and in cases where the land is not of sufficient value to bring a petition in the land court, action should be taken in accordance with the provisions of Sections 79 to 81, Chapter 60, General Laws.

The town clerk's records of dog and sporting licenses issued were examined, and the payments to the county, the town, and the State, were verified.

The records of receipts from rent of the town hall, library fines, the sealer of weights and measures, the police, school, park and cemetery departments, and from licenses and permits issued by the selectmen, the building inspector, and the health department were examined. The recorded receipts were verified and compared with the payments to the treasurer and with the accountant's books.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's and the collector's cash, summaries of the tax, assessment, departmental, and water accounts, together with schedules showing the condition of the several trust and investment funds.

For the co-operation received from the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,
Chief Accountant.

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

DIVISION OF ACCOUNTS

STATE HOUSE, BOSTON

October 10, 1933.

To the Board of Selectmen, Mr. C. Frank Hathaway, Chairman,
Swampscott, Massachusetts.

Gentlemen: I submit herewith my report of an audit of the accounts of the town of Swampscott for the period from January 1 to June 30, 1933, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts, Department of Corporations and Taxation, State House, Boston.

Sir: In accordance with your instructions I have made an audit of the books and accounts of the town of Swampscott for the period from January 1 to June 30, 1933, and submit the following report:

The financial transactions of the town, as recorded on the books of the several departments receiving or expending money for the town or committing bills for collection, were examined and verified by a comparison with the books and records in the offices of the treasurer and the town accountant.

The books and accounts of the town accountant were examined and checked, the reported receipts being compared with the financial records of the various departments collecting money for the town and with the treasurer's books. The payments as recorded on the accountant's ledger were checked to the warrants of the selectmen authorizing disbursements and with the treasurer's cash book.

An analysis of the ledger was made, a trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of June 30, 1933.

The appropriations and transfers voted by the town, as recorded in the town clerk's records, were checked with the accountant's ledger accounts.

The books and accounts of the town treasurer were examined and checked. The receipts as recorded in the cash book were compared with the records in the several departments collecting money for the town and with the other sources from which money was paid into the town treasury. The recorded payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds and with the accountant's books.

The cash balance on July 25, 1933, was verified by a reconciliation of statements furnished by the banks of deposit and by an actual count of the cash in the office.

The town collector's books and accounts were examined and checked in detail. The commitments of taxes and assessments were verified with the assessors' warrants for their collection.

The recorded abatements were compared with the assessors' records of abatements granted, and the recorded collections were checked with the payments to the treasurer as recorded in the treas-

urer's and accountant's books. The outstanding accounts were listed and reconciled with the controlling accounts in the accountant's ledger.

A further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The commitments of water accounts were examined and checked to the water department records, the payments to the treasurer were checked to the treasurer's and the accountant's books, and the outstanding accounts were listed and reconciled with the accountant's controlling accounts.

The records of dog and sporting licenses issued by the town clerk were examined, and the recorded payments to the county, the town, and the State were verified.

The surety bonds on file for the various town officials required by law to be bonded were examined and found to be in proper form.

The records of the sealer of weights and measures, of town hall rentals, of the school, library, park, and cemetery departments, and of licenses and permits issued by the selectmen, the building inspector, and the health department, as well as the accounts of the highway, health, and public welfare departments were examined. The recorded payments to the treasurer were checked to the treasurer's books and the outstanding accounts were listed and checked to the accountant's ledger.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's and the collector's cash, as well as summaries of the tax, assessment, water, and departmental accounts receivable,

For the co-operation received from the various department officials while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,
Chief Accountant.

Summer term closes	Friday, June 15
High School Graduation	Friday, June 15
Fall term begins	Wednesday, September 5
Fall term closes	Friday, December 21

Report of the School Committee

To the Citizens of Swampscott:

The School Committee herewith submits its annual report.

The committee, faced this year with the necessity of getting on with a decreased appropriation, has succeeded in so doing. Although it has cut the teaching force in the grades and in the junior high school, the committee believes that it has done so without any loss of efficiency. The changes made in the high school should result in raising the standard still higher.

The new heating system in the Clarke School, for which a special appropriation was made last year, has been installed. It is doing its work well, with a substantial saving in cost.

School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the Swampscott School Committee:

Madam Chairman and Gentlemen:

It is my privilege to present to you my third annual report as superintendent of the public schools of Swampscott.

It would be hypocrisy to pretend that the year has been a pleasant one. In Swampscott, as everywhere else, the schools have borne their share of the results of the depression. Those results have not been confined to financial loss alone. There is a mental, a spiritual and a physical reaction to such strain as teachers, parents and pupils everywhere have undergone during these past twelve or fifteen months. Such reactions have outcomes beyond any that can be tested by systems of weights, or yardsticks, or dollars and cents. They enter into the very soul of the situation and distort the perspective of those concerned, until in the teacher, at least, the ability to plod along with equanimity is succeeded by a sense of futility that transforms enthusiasm into hopelessness and dissipates the mirage on which her hopes have lived.

Probably the situation locally has been no worse than elsewhere—perhaps not so bad. The school budget was reduced from \$203,175.00 in 1932 to \$184,770.00, including the Clarke School heating appropriation, in 1933—somewhat more than 9%. School department salaries were reduced 10% beginning in February.

While teachers were allowed to contribute their 10% for the purpose of protecting their pension rating, they had no choice but to contribute or be cut. The situation was accepted throughout the department as inevitable under the conditions described. Not only employees but the School Committee as well were assured that a local tax rate raise was inevitable unless the cuts should be made; that all that was desired was to keep the tax rate from going up. That statement was taken at its face value. It is no secret, however, that many in the department now, interpreting subsequent events, believe that they were misled, and that the truth of the matter was quite the contrary to what was painted.

The budget originally presented by your committee as a basis for the work of this year was \$194,559.00, a figure 4.2% below that requested for 1932. The town saw fit to reduce the total about \$15,000.00 more. That change meant putting economies into effect with a vengeance.

We have now five less teachers than we had in June. We eliminated one Manual Training teacher, one Domestic Science teacher, one English teacher (Junior High), one assistant (Hadley School), and the Opportunity Class. The effect upon this year's expenditures was a saving in salaries of over \$3,000.00, and the reduction will be more than double that amount in 1934 because it will extend over ten months instead of four. In the matter of supplies, repairs, text books, etc., the policy has been to secure what we have needed, but to test whatever was purchased by the measure of necessity rather than desire.

The general trend is indicated by the table below:

	1931	1932	1933
Instructional Supplies	\$3,614.94	\$3,412.99	\$1,895.96
Textbooks	4,262.18	3,060.93	2,731.92
Janitors' Supplies	971.37	1,182.79	868.79
Gas and Electricity	2,096.67	2,245.76	1,551.12
Building Repairs	5,282.81	4,488.13	*9,920.36
Salaries	166,122.96	169,493.32	151,140.65

*Including \$4,985.80 for Clarke School heating plant.

It should be understood that a certain percentage of the apparent reduction in expenditures has come about not by buying less,

but by taking advantage of prices. That is particularly true of all supplies and repairs contracted for early in the year. There has been a constant rise since midsummer in these lines, to the extent that some items, notably certain papers, have gone up as much as 130% over what we paid for our year's supply. Several repair jobs were let at prices 25% to 50% less than similar jobs cost the preceding year, and considerably less than they can be done for now. Inevitably, therefore, to carry on as we have this year more money must be appropriated to obtain the same results.

In general, I feel that every reduction in personnel this year has been justifiable. The Opportunity Class had never proven itself. For six years we had been selecting our best third grade pupils and attempting to put them through the next two grades in one year. Actual check-up of results showed that more than fifty percent of these children never attained honor grades from that time on. There has been no overcrowding of Junior High School classes as a result of dropping a teacher in that organization. The extra assistant at the Hadley School, while splendid to have, was actually a luxury. Small enrollment of pupils in High School Domestic Science did not justify the continuance of these classes under a separate teacher if the Junior High School teacher had time to give to them. There was just enough Manual Arts for one man, and all High School classes were therefore transferred to the Junior High School shops.

It is not to be expected that this reduction can be permanent, however. The most obvious fact in planning for next year is that Manual Arts cannot go on as it is. The department has had a sudden growth. Shifting the classes to a location that resembled a work-shop, as at the Hadley School, resulted in the inevitable flow of boys to this course. We have in our sophomore class alone almost as many boys taking shop work as we have previously had from the entire high school in any one year. It is the usual thing this fall for our shop to be open and usually crowded with boys at work as late as four o'clock in the afternoon. The prospect for next year is for two sections at least, and possibly three sections, of high school boys. The situation precludes the possibility of one man doing all the work, because there are not school hours enough in the day. Consequently, we shall need an assistant in this department. In fact, we need him immediately. Furthermore, the situation precludes the possibility of getting along with the facilities we have. More than any other one immediate thing, we need additional shop space. The limited quarters at the High School served as an unsatisfactory makeshift when classes did not exceed eight boys. They are out of the question for eighteen. It is my recommendation that the Committee include in this year's budget a sum sufficient to erect on the High School lot either a portable or other structure suitable for use as a shop.

We have maintained the schedule of repairs laid out last January. By far the most important undertaking was replacing the old heater at the Clarke School. An entirely modern system was installed during the summer, and the antiquated hot air heaters were abandoned. The new system has worked to our entire satisfaction during this early part of the winter, and appears to be all that engineer and contractor promised in efficiency. The fuel saving will be reflected in our budget. Other major items completed were:

Rebuilding Junior High School ventilator hoods.

Painting Junior High School annex exterior.

Painting all classrooms at High School.

Pointing brick and stone work on Junior High School, northeast side and portion of front.

Weatherstripping northwest side of Stanley School.

Elimination of tower leaks at Stanley School.

Elimination of roof leaks at the High School.

The list for next year should include:

Elimination of tower leaks at the High School.

Pointing of brick and stone work on southeast corner of High School.

Painting exterior of High School.

Painting basement and stair wells of High School. (After tower leaks are overcome.)

Plaster patching and painting three classrooms and the corridors at Junior High School.

Renew water supply to High School. (This item, included for 1933, was postponed to observe effect of the new standpipe on the amount of water obtainable in the building. There has been no appreciable change.)

In addition to these items your Committee might well consider the advisability of installing at some time a mechanical stoker at the Junior High School. We are consistently advised that savings in fuel alone will pay the capital cost on such apparatus in four years. In that case, the investment should be worth making.

The year has been marked by the retirement of four of our veteran teachers, Miss Mabel Knight, Miss Mabel Verry, Mr. S. Perry Congdon and Miss A. Lillian Rideout. Their combined years of service in the schools of Swampscott had reached the imposing total of 139.

Miss Knight came to Swampscott in 1894 as a teacher in the Phillips School (now the High School). Miss Verry came as a teacher to the old Pine Street School two years later. They chose to retire on the same date, July 8, 1933.

Mr. Congdon was elected Supervisor of Manual Arts when that department was established in 1910, resigning as a member of the School Committee to accept that position. He had been chairman of the committee which built the Hadley Junior High School. His resignation as a teacher was effective July 1, 1933.

Miss Rideout was elected teacher of Latin at the High School in 1892. Since that time she has continuously taught the classics in that building. Although her decision to retire was made in midsummer, she continued her services into the fall as a matter of accommodation to us, and retired November 1, 1933.

Other teachers who left for other reasons were: Miss Evelyn Kellett (position abolished); Miss Docia Botkin (to be married); Mrs. Thelma Smith (moving away); Miss Mary Gandolfo (to accept a position in Lynn); Miss Alice Gove (to be married); Miss Helen Warren (leave of absence because of illness); Mrs. Bertha Wales (position abolished).

New teachers on our force are: Miss Hilda Hennigar, assistant at the Machon School; Miss Florence Knutson, grade two at the Stanley School; Mrs. Harriet Vatcher, grade five at the Stanley School; Mr. Brooks K. Blossom, High School Latin; Miss Lois Cox, Junior High School; Miss Dorothea Jacques, Domestic Science.

The conditions under which athletic contests at the High School must be conducted are becoming so near to intolerable as to require more than passing attention from this Committee. The situation is that under certain conditions of weather there is no field in Swampscott suitable either for football or for girls' field hockey.

The custom has been for years to play football at Jackson Park. While not ideal, that field has been at least reasonably satisfactory and could be played on. For two years in succession I joined with the athletic authorities at the High School in recommending that that field be enclosed. The cost would have been comparatively small—not more than \$3500.—and would have answered our purpose. For some reason the project never reached the Town Meeting—just why, I never was able to discover to my own satisfaction. This year a clay baseball diamond was built, including in its area part of the football field. At the request of the Park Department our games were transferred to Phillips Park which by November first became a morass of black slimy mud. Ultimately we were allowed to return to Jackson Park, only to find that the clay on the diamond, when wet with rain or with sun-thawed frost, was even more treacherous than the mud.

Field hockey has been played at Abbott Park. This field is a bowl deliberately designed to hold water for a winter skating rink. Consequently for several days after a rain its surface is slimy and quite impossible for girls to use with safety in any game involving quick action. Even more annoying than that—and more dangerous—is the presence each afternoon of a gang of young men from seventeen to twenty-five years old who insist on using the same field for football, utterly disregarding the presence of the girls. Girls have been struck in the face by the ball and knocked down by the players. Entreaties of the physical director have been of no avail. She has personally had to go to the police station to beg for police assistance on more than one occasion, but the difficulties have subsided only during the presence of an officer.

These conditions are not only discouraging, but utterly disgusting to players, coaches and managers alike. Presumably nobody is concerned about the case but themselves, so they continue to play as best they may under conditions that subject them and their opponents to hazards much beyond the normal hazards of the game. They find it an occasion for relief when the schedule calls for them to play elsewhere than at home.

Fortunately, in practically every case their opponents are better situated. There has been but one occasion this fall when a game could not have been transferred away to our advantage so far as the condition of a field was concerned. Had the Thanksgiving Day game been scheduled for our field there would have been no choice but to transfer or to cancel. Decisions on such matters ordinarily must be made on short notice, due to the whims of the weather, and should be made by those who have the best knowledge of the situation as a whole.

I recommend to you that your Committee authorize the principal of the High School, the faculty manager of athletics, and the coach of any high school athletic team to transfer to the best available site any game scheduled to be played at Swampscott, whenever in their joint opinions such transfer is to the best interests of the team that is to play the game.

In these closing weeks of the year there has been developed the so-called Federal Emergency Relief in Education. Under this, as out-

lined, a certain small sum is available for employment of qualified persons. In actual practice, however, no project is acceptable which in any way parallels any normal legitimate school activity. Moreover, the State Emergency Relief Administration (quoting from the instructions issued for our guidance) "will determine eligibility for employment on the basis of definite need of relief. It is necessary that care should be taken to select only those persons, having competency to teach, whose need of relief is serious."

There seem to be three teachers registered as unemployed for the present moment in Swampscott, but up to the present time it has been impossible to find a project that is at the same time within their field of training and within the limits designated by the Relief Administration. My latest advice from the State House has been to await developments.

The Committee has taken what I regard as a progressive step by authorizing the assignment of teachers to teach at home pupils so physically handicapped that they cannot attend school. Such action is authorized under the General Laws relating to education.

At the present time there are two pupils in Swampscott eligible for such assistance. The policy of the Committee in assigning to these pupils teachers of experience rather than novices is to be commended. If any children are entitled to the best, certainly pupils thus handicapped are.

Mr. Gray's detailed report on the college entrance examination situation indicates that twenty-six individual examinations were taken in June. Of these, seven resulted in failures, five of which occurred in Latin. The Latin situation, as you know, is now in the process of a reconstruction which we hope will bring better results in the future. The results on all Scholastic Aptitude tests were satisfactory.

There were one hundred and four members of the graduating class, and thirty-two of them are now enrolled in post secondary schools and colleges.

We have been extremely fortunate in having the services of Dr. Richard Palmer in examining children for defective vision. Dr. Palmer has given freely of his own time, and has made available without charge the services of clinics with which he is connected. As a result of his generosity fifty-five children have been equipped with glasses who ordinarily might not have had them. Dr. Palmer has examined our entire Junior High School and is now examining our second grades, all without expense to the town.

Our financial statement for the year indicates an unexpended balance of \$2,600.40 with receipts and expenditures as follows:

Appropriation—General	\$179,770.00
Clarke School Heating Appropriation	5,000.00
Total	\$184,770.00

Expenditures:

General Control	\$6,887.02	
Instructional Service	139,853.04	
Operation of Plants	18,212.63	
Maintenance	6,541.07	
Capital Outlay	679.06	
Auxiliary Agencies	5,010.98	
Clarke School Heating	4,985.80	
		<hr/>
		\$182,169.60

Unexpended balance		\$2,600.40
General Receipts of the Department	\$48.10	
Tuition Received	1,148.91	
Refund on English Speaking Classes	63.33	
Refund from State Department of Education	235.56	
State Refund to Town on Account of schools	15,900.00	
		<hr/>
	\$17,395.90	
Net Cost of Schools		\$164,773.70

Respectfully submitted,

FRANK L. MANSUR,

Superintendent of Schools.

Report of School Nurse

To the Members of the School Committee:

Mrs. Ingelfinger and Gentlemen:

It is my privilege to submit to you at this time my second annual report as school nurse and attendance adjustor. The following facts seem worthy of your attention:

Examinations

Regular visits	203
Extra visits	250
Number sent to physician	150
Number excluded	125*
Notes sent to parents	586
Homes visited	357**

*Reasons for Exclusions

Illness	65
Pediculosis	28
Infection	14
Contagious Disease	6
Scabies	4
Uncleanliness	3
Impetigo	2
Injury	2
Lack of Care	1
	<hr/>

125

**Reasons for Home Visits

Illness	84
Attendance	59
Vision	49
Clinic Arrangements	48
Contagious Disease	38
Uncleanliness	12
Infection	14
Impetigo	10
General Care	12
Summer Camp Arrangements	5

Pediculosis	10	
Scabies	4	
Injury	3	
Tardiness	1	
Chronic Appendix	2	
Miscellaneous	6	
	<hr/>	357
Physical Examinations		1,450
Defects Found:		
Curvature of Spine	38	
Pronated Feet	28	
Diseased Tonsils	17	
Vision	70	
Heart	19	
Tubercular Symptoms	26	
Miscellaneous	27	
	<hr/>	225
Disposition of Defects Found:		
Under Treatment	126	
Tonsils Removed	10	
Vision Corrected by Glasses	63	
X-ray for Tuberculosis	26	
	<hr/>	225
Cases treated in Clinics		72
Schick Tests		207
Examinations of Retarded Children		12
Examinations for Vision		1,400

A great deal of attention has been given to school children as well as homes for possible neglect due to the present financial conditions, and when necessary, aid has been given by organized societies, with the result that our children are in excellent physical condition.

Report of Attendance

Home Visits	59
Unexcused absences	38
Truants	27
Cases in Court	1

Unexcused absences may be attributed largely to a maladjustment of the parents to the school as well as the child, brought about largely by ignorance and poverty. It is interesting to note that when contact is made with the home in almost every instance the child contributes to the adjustment and is keenly interested in bettering his home conditions. These cases require repeated visits and approaches from various angles.

Respectfully submitted,

MARY K. HAMMOND, R.N.,

School Nurse, Attendance Adjustor.

The Board of Health

To the Citizens of Swampscott:

The Board of Health herewith submits its report for the year ending December 31, 1933, together with those of its various officers.

The general health of the town has been exceptionally good the past year in spite of the fact that the depression and unemployment have made the curtailment of the usual standard of living necessary.

Chicken pox, mumps and scarlet fever have been the predominating diseases this year.

Five new cases of tuberculosis have been reported. Four of the cases being admitted to the Essex Sanatorium for treatment. Four deaths have occurred from the disease and three patients have been discharged from the sanatorium to continue treatment at home.

One case of typhoid fever was reported from the Swampscott Highlands section of the town. Upon investigation it was found that the water in the well located upon the premises was grossly polluted. There was little doubt as to where the disease was contracted. The general condition of the home was such that it was necessary to declare the same unfit for occupancy and cause the premises to be vacated.

In our report for the year 1931, we called attention to the fact that living conditions in Swampscott Highlands were far from satisfactory and something should be done to relieve the situation. Two years have elapsed and nothing has been done.

Lack of water and proper sanitary accommodations within the homes and the necessity of using water from wells, polluted with sewage, for drinking and other domestic purposes are constantly menacing the health and lives of every individual in that district. The situation has now become acute and something must be done to remedy the conditions without further delay.

In view of the fact that the dwellings in that district have been erected in accordance with the building laws and with the approval of the building inspector, the members of this board feel that the town is under a moral, if not a legal, obligation to see that the owners and occupants thereof are provided with water and such other facilities as are necessary to provide them with decent, healthful living conditions.

The board has been criticised by representatives of the State Department of Public Health for permitting such conditions to exist, and they have warned us that the town will be held directly responsible if an epidemic of sickness and death occur there because of our failure to take the necessary steps to prevent it.

In an effort to bring about some solution of the problem, a special meeting was held November 7, 1933, at which the Board of Se-

lectmen, Water and Sewerage Board, Planning Board and the Building Inspector, Town Counsel and Town Engineer were present. After a lengthy discussion it was the unanimous opinion of those present that the situation demands action.

The matter of procedure was explained at great length by the Town Counsel, who stated that under certain acts of the legislature the town could provide roads and install water pipes if the town meeting so authorized, but before the matter could be brought before the town it would be necessary for some board or department to procure the necessary data and estimates of the cost of such work.

It was agreed that the matter came within the functions of the Planning Board and Board of Selectmen, and the Town Engineer was instructed to proceed at once to procure the required information and estimates. That information has been obtained and is now in the hands of the Planning Board and Board of Selectmen and will be submitted to the town meeting members for their action at the first opportunity.

The members of the board feel that they have been negligent in permitting the conditions to exist as long as they have, and unless something is done immediately to abate conditions it will be necessary for us to proceed in accordance with the law. We sincerely hope that such action will not be necessary.

Pre-school clinics were held at the various schools during the month of May and many of the defects found were remedied before the children entered school in September.

Three hundred eleven children in the public and parochial schools were given the Schick test and immunization doses were given those children found susceptible to diphtheria.

The work of the dental clinic has been conducted along the same lines as in previous years.

For detailed information of the work of the department we refer you to the reports of our various officers.

Respectfully submitted,

LORING GRIMES, M.D.,

HAROLD H. BARTOL,

JOHN B. CAHOON,

Board of Health.

Health Officer

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933:

The following is a summary of the work of the department during the year.

PRE-SCHOOL CLINIC

Number of days of clinic	5
Number of children examined at clinic	90
Number of children examined by family physician	8
Number of children without defects	56
Number of children with defects	42
Number of defects found	51
Number of children with defects corrected	21
Number of defects corrected	29
Number of children inoculated with toxin antitoxin	28
Number of children vaccinated	97

PERMITS AND LICENSES ISSUED

The following permits have been issued during 1933:

To keep fowl	79
To torch for fish	5
To Undertakers	3
To maintain a dump	1
To remove night soil	1

The following licenses have been issued during 1933:

To sell alcohol	15
To massage	4
To collect soap grease, etc.	1
To sell non-alcoholic beverages	1

The sum of \$33.00 has been collected for licenses and permits issued during the year and said amount has been paid to the collector and his receipt obtained.

Respectfully submitted,

CLARENCE W. HORTON,
Health Officer.

Dental Clinic

To the Board of Health:

Gentlemen:—I herewith submit the following report of the activities of the Dental Clinic during the year ending December 31, 1933:

All children in the six elementary grades were examined twice during the year. The first examination was for information of conditions and cards notifying parents of the conditions found were sent to each home where dental services were needed.

All necessary dental work was completed for all children returning signed cards.

There were 603 notification cards sent out and of that number, 389 children had complete dental work done at the clinic.

A detailed summary of the work follows:

Extractions (temp. teeth)	276
Extractions (perm. teeth)	27
Local anaesthetic	246
Pulp cappings	4
Fillings (temp. teeth)	418
Fillings (perm. teeth)	613
Prophylaxis	361
Miscellaneous	281
Examinations	1869
Total	4195
Dental charts made out	603
Notification cards sent to parents	603
Complete mouths restored	417

Respectfully submitted,

JAMES J. FENELON, D.M.D.,
Dentist in Charge.

Inspector of Plumbing

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933:

Plumbing permits issued	73
Installations approved	72

The sum of \$187.00 has been collected for the plumbing permits issued during the year and said amount has been paid the Collector and his receipt obtained.

Respectfully submitted,

EDWARD C. PHILLIPS,
Plumbing Inspector.

Health Nurse

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933:

Cases placarded	60
Communicable diseases investigated	107
Examinations for contagious diseases	3825
Examinations for release	18
Exclusions from school	15
Physical examinations	2128
Pre-school examinations	266
Dental examinations	1568
Home visits	376
School visits	197
Kindergarten visits	14
Visits for tuberculosis (adults)	14
Visits for tuberculosis (children)	67
Schick test	643
Sanitary investigations	8
Clinics and meetings	16
New baby conferences	105
Consultations	7
Failure to maintain quarantine	10
Miscellaneous	32

Respectfully submitted,

MARY G. KELLY, R.N.,
Health Nurse.

Milk Inspector

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933:

The following licenses and permits were issued during the year:

To dealers	24
To stores	53
To sell ice cream	37
To manufacture ice cream	3

The sum of \$41.50 has been collected for the licenses and permits issued during the year and the said amount has been paid to the Collector and his receipt obtained.

Respectfully submitted,

CLARENCE W. HORTON,
Milk Inspector.

Water and Sewerage Commissioners

WATER DEPARTMENT

To the Citizens of Swampscott:

We submit herewith our annual report for the year ending December 31, 1933:

For several years the Water Department has been very forcibly impressed with the necessity of improvement as to pressure and capacity in our system, to care for the large amount of water necessary in the summer months.

At the last annual town meeting the board had inserted in the warrant an article calling for the erection of a new stand pipe. The town, with the recommendation of the Finance Committee, voted favorably on this article and appropriated \$25,000 for the work, to be done under the direction of the board. Bids were immediately called for, both as to foundation and the standpipe itself, from plans and specifications as furnished us by the Town Engineer.

The contract for the foundation was awarded to Corso Mattera Co. of Swampscott, who gave us a very satisfactory job.

The contract for the standpipe, 40 feet in diameter and 90 feet high, was awarded to the lowest of bidders, the Chicago Bridge and Iron Works, at a figure of \$14,600. This contract was fulfilled in proper season, and the standpipe has been in satisfactory use for about three months.

During its erection it developed that by a new process of sand blasting and proper painting the old standpipe could be made to be of use for several years to come, and on investigating we found it practical and feasible. We called for bids to do this work, and awarded the contract to the company erecting the new standpipe. The work was started as soon as the old standpipe could be drained and made ready. Weather conditions after the start of this work were such as to necessitate a postponement until next spring, agreeable to both the board and the contractors.

We have had a heavy wire fence topped with three strands of barbed wire erected around the location of the standpipe, to keep the place free and clear from any and all kinds of trespassers.

With the finish of repairs to the old standpipe in the spring, and with the use of the two, we shall have an increased pressure of about 8 pounds, and a volume of about one and one-half million gallons, which we feel will be ample for all requirements.

Owing to the increased pressure from the high level of water, it was necessary to relay considerable of the old mains. This was voted by the town, and in accordance with such vote we have replaced over 4,000 feet of old pipe, some of which was bought at the time Swampscott acquired the rights of the Marblehead Water Co.

In doing this work it was our privilege to make use of the unemployed, as far as possible, and with very satisfactory results.

Extension of mains (with cost) including gates and hydrants. All replacement work.

Park Department

To the citizens of Swampscott:

Herewith is submitted the annual report of the Park Commissioners for the year ending December 31, 1933.

Monument Avenue Parkway

Comparatively few changes were made on these grounds during the year. Several decayed trees were removed, and a thorough pruning of all shrubbery was completed early in the spring. In order to prevent further loss of park equipment, it became necessary to provide a small locker building on the grounds.

Jackson Park

Many improvements were made at this park during 1933. With the removal of considerable ledge in right field, it was possible to enlarge the area used for baseball and also eliminate what had always been an element of danger to the players. A bank wall was erected to take care of the properties adjacent to the field. This wall was capped, but should be pointed and finished as soon as possible. Field stone gate posts were erected at one of the entrances, and it is thought desirable to duplicate these at the second entrance on Essex street. After many years of use, the old baseball diamond was discontinued, and on a deep cinder base was laid an excellent diamond and infield, the surface consisting of six inches of clay, which was excavated in Phillips Park. This playing surface was highly praised by all local and visiting teams, and is regarded as superior to any park diamond in this vicinity.

Two new tennis courts were opened for use early in the season. These are well located in a setting of pine trees, a short distance from the street. Constructed of clay, and cared for daily by watering and rolling, they have provided exercise and enjoyment for hundreds of our townspeople during the year. Late in August a tournament for boys and girls was held here, silver cups having been offered as prizes by Mr. and Mrs. John H. Blodgett. Because of the interest created, it is likely that a tennis tournament will be an annual feature of park activities.

Several hundred feet of stone wall, erected on the Essex street front of the park, was left unfinished, due to lack of funds. This wall should be topped and pointed at once, in order to preserve what has already been accomplished. Provision might well be made in this park for a skating pond, using the ravine in the rear of the ball field for the purpose. Without the expenditure of any large amount for material or labor, and with the advantage of an abundance of water to be had without cost, a safe and ample skating space could be created.

Abbott Park

The Commissioners are of the opinion that this location is very dangerous for athletic activities. Except for field hockey, tennis and ice skating, it should be abandoned. Because of its limited area and the large amount of automobile traffic passing the entire length of the park, it is a source of danger to the children and young people using the grounds. In order to provide a place of adequate size for High School and Junior High sports, the Commissioners will make a recommendation to the annual town meeting.

Blaney Beach Reservation

With the adoption of street parking regulations in the vicinity of the beach, it became possible to eliminate many undesirable features during the summer. Fewer out of town visitors, and more local bathers patronized the bathing facilities as a result. By the creation

of an auto park near the Administration Building it was possible to care for a large number of Swampscott residents. On every day favorable for bathing the space was filled, on some dates a check showing 150 different cars. The Administration Building is greatly in need of thorough repairs. After 37 years the toilet facilities are obsolete and inadequate. A complete renovation and restoration is advisable at this time. The grass lawn was in bad condition, so has been turned over, loamed and seeded and should present a handsome appearance next year.

Phillips Park

During the summer the board was in receipt of a petition signed by a large number of citizens and taxpayers in the vicinity of this park, asking for relief from conditions arising from the dump. Aside from the employment of a man three days each week at this place, very little can be done to remedy the condition unless the area is filled and covered with good material. We have been unable to accomplish this during the year, but shall strive to do so in the immediate future. This is the only park in town which is not provided with a staff from which to fly the American flag. This has been a matter of such comment that we have inserted in the Park budget an amount sufficient to cover the cost of a steel flagpole at Phillips Park.

Respectfully submitted,

JOHN HOMAN,
STUART P. ELLIS,
LEONARD F. BURDETT,
Park Commissioners.

Report of Chief of Police

To the Board of Selectmen:

Gentlemen:—I herewith submit the report of the Police Department for the year ending December 31, 1933:

Roster of Department Chief

Walter F. Reeves

Captains

Eugene P. Brogan

James M. Kennedy

Patrolmen

Charles Connell
J. Henry Pedrick
Almon B. Owens
Frank T. Roach
Samuel Hooper
John P. Costin

Joseph L. Shanahan
George D. Horton
Francis P. Wall
James T. Jordan
Herbert F. Frazier
Francis E. Delano

Joseph P. Ryan
Mary M. Pedrick, Clerk

Arrests

Total number of arrests	93
Males	77
Females	2
Juveniles	14
Residents	29
Non-residents	64

Causes of Arrest

Abandoning male child	1
Assault	1
Attempted larceny of automobile	2
Disorderly conduct	4
Drunkenness	18
Father of neglected children	1
Illegitimate child act, violating	2
Neglected children	6
Larceny	5
Motor vehicle laws, violating,	
Going away unknown after causing injury to property	2
Operating under influence of liquor	7
Operating without a license	4
Operating without having license and registration in an easily accessible place	1
Operating after suspension of license	1
Operating so as to endanger lives or safety of public	2
Operating without lights	1
Speeding	16
Non-payment of wages	1
Non-support of wife and child	2
Promoting a lottery	1
Suspicion of robbery while armed	3
Traffic rules, violating	1
Trespassing	3
Using auto without authority	6

Vagrant	1
Violation of probation	1
Total arrests	93
Summonses served for other police departments	198

Disposition of Cases

Appealed	1
Committed to House of Correction	3
Continued to 1934	7
Fined	30
Filed	20
Filed on payment of costs	2
For other departments	12
Found not guilty	3
Placed on probation	10
Released	5

Classification of Arrests by Months

Month	Male	Female	Juvenile	Residents	Non-Residents
January	4	0	0	1	3
February	2	0	0	2	0
March	2	0	0	1	1
April	5	0	0	0	5
May	9	0	0	2	7
June	11	1	4	4	12
July	6	0	0	5	1
August	11	0	3	1	13
September	15	1	1	0	17

November	6	0	6	8	4
December	3	0	0	2	1
Totals for Year	77	2	14	29	64

Miscellaneous Work

Accidents reported and assistance rendered	17
Auto accidents reported	93
Passengers reported injured	54
Pedestrians reported injured	24
Autos tagged for traffic violations	348
Breaking, entering, larceny cases, including attempts, investigated (9 of these reports were unfounded)	43
Complaints investigated:	
In regard to dogs	37
In regard to blasting at Lynn Sand and Stone quarry	16
Miscellaneous complaints	327
Defects in streets and sidewalks reported and lanterns furnished	11
Disturbances quelled	24
Dogs reported injured by motor vehicles	13
Dogs killed by motor vehicles	10
Dogs reported missing	82
Dogs found and turned over to owner or dog officer	57
Dogs shot by officers	2
Gas leaks reported	2
Lights burning in vacant buildings	7

Messages delivered	70
Missing persons located and returned home	31
Notices of intended sale or transfer of motor vehicles, filed	170
Reports on sale of second-hand motor vehicles, filed	76
Obstructions reported and removed or lighted	12
Police signal system:	
Calls to hospital	41
Calls to fires	72
Miscellaneous calls	208
Duty calls reported	21,020
Residences temporarily unoccupied and special attention requested	45
Sick persons assisted	14
Stores and offices found open and secured	193
Street excavations reported	12
Street lamps reported defective	296
Suicides reported	2
Suspicious persons interviewed	75
Water leaks reported	4
Wires reported broken or burning	14

Stolen Property

Amount of property stolen here and recovered by this department	\$417.85
Amount of property stolen and not recovered (includes burglary)	2,967.38
Automobiles reported stolen here and recovered	6
Automobiles reported stolen elsewhere and recovered here	11

Remarks

The police station and garage are in very poor condition. During the year it was necessary to replace the front steps of the building. The ceilings in the building are loose and the plaster should be repaired. Except during very dry periods there usually is water in the cellar, about six or eight inches.

Recommendations

I recommend the purchase of a police hospital ambulance and that the sum of \$3,000 be appropriated for the same. The Reo patrol wagon, a 1925 model with a truck chassis, has been in use for eight and one-half years and is now unfit for the proper transportation and care of the sick or injured.

I recommend the exchange of two 1929 Harley-Davidson motorcycles for one small single cylinder motorcycle and that the sum of \$190 be appropriated for the same.

I recommend the exchange of a 1930 Chevrolet patrol car for two small roadsters, equipped with short wave radio receiving sets, and that the sum of \$1,160 be appropriated for the same.

Conclusion

I wish to thank the town officials and citizens in general for their co-operation and assistance during the year. I also wish to express my appreciation to the members of the police department for their sincere efforts towards crime prevention, and to the Standard Oil Company of New York for the use of their property on Columbia Street.

Respectfully submitted,

WALTER F. REEVES,
Chief of Police.

Board of Fire Engineers

To the Board of Selectmen:

Gentlemen: The following is the report of the Board of Fire Engineers and the Chief of the Fire Department for the year ending December 31, 1933:

Important Notice

We would ask all persons discovering fires in buildings to ring the nearest box (if within reasonable distance) as it is quicker and more accurate than the telephone. If you think you must use the telephone be sure to ask for Emergency, Breakers 82. Do not simply ask for the Fire Department.

Fire Alarm and Service Record

Swampscott box alarms	47
Swampscott telephone alarms	127
Swampscott still alarms	19
Lynn line boxes	20
All other Lynn calls	11
Marblehead boxes	12
Marblehead telephone calls	7
Marblehead special calls	1
	<hr/>
Total	244

Hose, Ladders, Chemicals used at fires

3 inch hose laid	1,000 ft.
2½ inch hose laid	15,300 ft.
1½ inch hose laid	700 ft.
Chemical hose laid	4,100 ft.
Ladders used	657 ft.
Chemical and booster tanks used	1,349 gals.
Indian pumps used	118
Drills	10
Hours of duty	148 hrs., 7 min.
Combination A answered	102 calls
Engine 1 answered	94 calls
Ladder 1 answered	97 calls
Hose 3 and service cars answered	81 calls

Valuation, Losses and Insurance where fires occurred

Value of buildings	\$122,250.00
Damage to buildings	4,482.00
Insurance on buildings	122,750.00
Insurance paid on buildings	4,482.00
Loss on buildings over insurance	000.00
Value of contents	49,809.00
Damage to contents	1,549.50
Insurance on contents	34,700.00
Insurance paid on contents	1,434.50
Loss over insurance	115.00
Automobile fires	20
Dump fires	17
Brush fires	29

Permits Issued

There have been 330 permits issued (after inspection) for the storage of fuel oil in connection with the use of oil burners for heating and cooking.

There have been 16 permits issued for the use of dynamite in blasting rock.

There have been 39 garage building applications approved and inspections made.

Apparatus

All of our apparatus, with the exception of Combination A, located at Phillips Beach Station, is in first class condition. During the past year we have placed in service a new brush fire and still alarm truck which is giving good satisfaction. It is a ton and one-half Chevrolet which our men fitted up using the body from our former brush fire machine, also installing a 100 gallon water tank with booster pump and all necessary equipment.

Combination A, located at the Phillips Beach Station, is a chemical and hose wagon, equipped with two 35 gallon chemical tanks and carrying 1,000 feet of 2½ inch hose. It was placed in service August 8, 1911, and is therefore over 22 years old and has outlived its usefulness. We have endeavored to keep this machine in good condition, but this has become increasingly difficult owing to its extreme age and ancient design, and now we have arrived at the point where we believe we should not spend any more time and money on such an unreliable piece of apparatus. Therefore, we are asking for an appropriation to purchase a machine which will adequately protect this high-value district.

Hose

We have in service 400 feet 3 inch hose, 3,500 feet 2½ inch hose, 400 feet 1½ inch hose, and 800 feet ¾ inch hose. We will require 500 feet of 2½ inch to replace some unfit for regular service which has been assigned for use at dump fires and on sewer work.

Fire Alarm System

There have been 77 alarms sounded on our system this year. The batteries which operate our system are now of such an age that they will require renewal if we continue the use of our present method of charging. On the other hand, if we adopt the rectifier method we will require only one-half the present number of batteries and probably can get through the year with about 90 of the best of our present 168 batteries. Therefore, we have asked for a small appropriation to cover cost of installing rectifiers and making necessary changes.

Five Year Improvement Plan

In 1929 the town accepted our plan to improve our fire alarm system over a period of five years, so that we would then be in a position to properly arrange our circuits and Central Station equipment to care for the present requirements of the town and make reasonable plans for the future.

This work has been carried on to a point opposite the Catholic church on Humphrey street, at which place it was stopped on account of the lack of appropriation. This work is very important and should be carried on to completion, because with the present switchboard and Central Station fire alarm equipment, and our unfinished cable lines we are unable to make any move to care for the growing needs of the town. We hope this work can be resumed soon under some form of state or Federal aid, if not by the town itself.

Buildings and Grounds

Our buildings are in reasonably good condition with the exception of the front doors at the Phillips Beach Station; necessary carpenter work and painting at both houses are needed.

Remarks

We have installed a drafting post at Foster's Dam which we expect will be a great convenience for us in case of fire in that vicinity. Drills have been held regularly to keep the members of the different companies up to the proper standard of efficiency.

In co-operation with the School Department and the officials of St. John's parochial school, we furnished speakers and posters in observance of fire prevention week.

Chief of Department
JAMES WARNOCK

Board of Fire Engineers.

HENRY A. SADLER,
BENJAMIN B. BLANCHARD,
JEFFERSON G. OWENS, JR.

Treasurer's Report

James W. Libby, Treasurer,

NOTE—This is not a town of Swampscott trust fund as defined by Chapter 282 of the General Acts of 1915, but is held by the Town Treasurer as Trustee for the Swampscott High School Alumni. It is included in this report in order that the members of the High School Alumni may be kept informed of its existence.

Respectfully submitted,

JAMES W. LIBBY,
Town Treasurer.

Treasurer of Trust Funds and Custodian of
all funds and securities, as provided for by
Chapter 282 of the General Acts of 1915.

HENRY S. BALDWIN,
CONRAD P. RICHARDSON,
JAMES W. LIBBY,

Trust Fund Commissioners.

Sealer of Weights and Measures

To the Board of Selectmen:

Gentlemen:—I herewith submit my report from January 1, 1933, to December 31, 1933.

This department tested, sealed or condemned all the various measuring devices and made records thereof, the summary of which is as follows:

	Adjusted	Sealed	Non-Sealed	Con-demned
Platform, over 5000 lbs.	0	4	0	0
Platform, 100-5000 lbs.	5	20	0	0
Counter, 100 lbs. or over	1	2	0	0
Counter, under 100 lbs.	14	43	0	0
Beam, 100 lbs. or over	0	3	0	0
Spring, 100 lbs. or over	0	6	0	0
Spring, under 100 lbs.	9	36	0	0
Computing scales under 100 lbs.	4	26	0	1
Personal weighing scales	1	8	0	0
Prescription scales	1	4	0	0
Avoirdupois weights	3	147	0	0
Apothecary weights	4	61	0	1
Metric weights	2	32	0	2
Liquid measures	4	62	0	9
Dry measures	0	8	0	2
Gasoline measuring pumps	5	39	3	5
Gasoline measuring meters	2	34	0	0
Fuel measuring meters	4	7	0	0
Quantity stops on pumps	32	200	0	0
Total	82	742	3	20

Trial Weighing

	Number Tested	Number Correct	Under	Over
Bread	18	18	0	0
Butter	284	273	10	1
Coal in bags	108	93	0	15
Coal in transit	7	2	0	5
Coke delivered number of bushels	60	60	0	0
Confectionery	20	20	0	0
Dry commodities	37	36	0	1
Flour	50	49	1	0
Fruits and vegetables	187	124	11	52
Ice	1	0	0	1
Meats and provisions	22	19	0	3
Total	794	694	22	78

Inspections and Tests

Clinical thermometers	92
Coal certificates	20
Markings of bread	42
Markings of food packages	19
Milk jars	266
Pedlars' licenses	7
Pedlars' scales	3
Cartons	164
Berry baskets	5
Ice cream boxes	12
Gasoline devices	20
Coke in bin (60 bu.)	1
Scales	19
Oil jars	1
Reweighing and measurements	65
Vehicle tanks	31
Total	767

This department investigated all complaints received and were satisfactorily adjusted.

Respectfully submitted,

C. WALTER BURRILL,
Sealer of Weights and Measures.

Board of Public Welfare

To the Citizens of Swampscott:

The Board of Public Welfare herewith submits its report for the year ending December 31, 1933:

Applications for welfare aid and relief have been more numerous than ever, and after being thoroughly investigated, aid and assistance were given where needed.

Applications for Old Age Assistance have greatly increased, this being due to unemployment affecting other members of the family. These cases were also granted relief and support when warranted.

All able-bodied persons on the welfare list have been placed on Civil Works Administration projects, thereby relieving the cost temporarily to the department.

Respectfully submitted,

HARRY E. CAHOON,
JEANNETTE D. DARLING,
DONALD REDFERN.

REPORT OF THE SECRETARY

To the Board of Public Welfare:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933:

Summary of Temporary Relief

Families aided during the year	89
Families being aided at the present time	39
Families being aided by other cities and towns	15
Families with settlement in Swampscott	54
Families with settlement in other cities and towns	22
Families being aided at the expense of the State	13
Persons supported in State Institutions	7
Persons supported in Salem Home	1

Summary of Old Age Assistance

Number receiving relief and support during the year	20
Number receiving relief and support at the present time	16
Number of new applications received during the year	13
Number of cases closed during the year	4
Number unable to prove age	1
Number having children able to support them	4
Number disqualified because of mental condition	1

Financial Report

Appropriation	\$20,000.00
Amount expended for salaries of board	315.00
Amount expended for clerical services	180.00
Amount expended for salary of secretary	135.00
Amount expended for transportation	191.89
Amount expended for stationery and postage	77.05
Amount expended for light	26.68
Amount expended for relief in town	11,143.50
Amount expended for relief by other cities and towns ..	1,841.65
Amount expended for care of persons in State Institutions	1,408.41

Amount expended for Mothers' Aid	1,118.58
Amount expended for Old Age Assistance	3,503.13
Amount reimbursed by the State	2,325.34
Amount reimbursed by other cities and towns	993.43
Amount reimbursed by the State for Mothers' Aid	209.14
Amount reimbursed for Old Age Assistance	452.67

Respectfully submitted,

DONALD REDFERN,

Secretary.

Inspector of Wires

To the Board of Selectmen:

Gentlemen:—The following report covers activities and inspection program by the wire inspector for the town of Swampscott from January 1 to December 31, 1933.

Inspection of 35 new houses, including the rough wiring and fixture installation, with the subsequent approval of the same.

Inspection of 10 old houses where roughing in and fixtures were being installed, with the subsequent approval of the same.

Inspection of 50 buildings where additions were being made to old wiring, and the approval of the same.

Inspection at 3 locations where hazardous wiring existed, proper corrections were made and subsequently approved.

Two electric services were ordered disconnected on account of fire.

Respectfully submitted,

J. A. COOK,
Inspector of Wires.

Trustees of Public Library

To the Citizens of Swampscott:

The unprecedented circulation of 1932 has been increased during 1933 in fiction, non-fiction, and periodicals. This again emphasizes the importance of the library as a means of adult education.

The total week-day attendance was 77,044 persons, an average of 246 per day. Another way of putting it is that every man, woman and child in Swampscott was in the library seven and a half times during the year.

The Sunday attendance was 503, an increase of ninety-five over the preceding year.

Two new sets of encyclopaedias have been purchased, one for adults, and the other for juveniles.

New shelving has been added in order to provide for the growth of the library.

During the year gifts have been made to the library by the following persons:

Mr. John Albree, Mrs. G. E. Jones, 9 Conant street, Marblehead, Mr. Harold C. Whitmore, Miss Grace E. Mills, Miss Louise Whitin, Mrs. Robert M. Cooms, Swampscott Rotary Club, Miss Althea Bangs, 189 Lewis street, Lynn, Miss A. Louise Ricker, and Mrs. R. G. Titus.

Respectfully submitted,

ELIHU THOMSON,
LEE T. GRAY,

Board of Trustees.

REPORT OF LIBRARIAN

Circulation:

Adult fiction	52,296	
Adult non-fiction	11,745	
Adult periodicals	1,848	
		65,889
Juvenile fiction	16,004	
Juvenile non-fiction	6,880	
Juvenile periodicals	786	
		23,670
		89,559
New books added during the year		1,717
Books in the library January 1, 1934		16,192
Fine receipts turned over to the town		\$458.16

LUCY M. EVELETH,

Librarian.

Report of Town Engineer

To the Board of Selectmen:

Gentlemen:—Herewith I submit my twenty-first annual report of the service rendered by the Engineering Department for the various departments for the year ending December 31, 1933.

The Engineering Department has had charge of the following line of work: The designing and superintending the construction of all sewers and drains; resurfacing of all streets built by contract, together with the specifications and estimates for the same; the establishing of street lines and the grades for curbing and granolithic sidewalks, and all engineering questions which come before the boards of the several departments.

Sewers and Drains

The sewer system of the town has been extended 810 feet in the following streets: Burpee road, Beach avenue, Ocean avenue, and Pleasant street, at a total cost of \$1,913.44.

The surface water drainage in the following locations have been very much improved: Hawthorne brook and Mapledale place brook, with a total distance of 1,044 feet, have been enclosed in a concrete pipe, at a cost of \$4,187.88.

Forest avenue and Cherry street drains were constructed at a cost of \$1,064.05 to relieve existing catch basins.

A portion of the Atlantic avenue and Phillips avenue drain was constructed by the unemployed of the town. It consisted in the laying of 2,700 feet of concrete pipe, twelve manholes and four catch basins, also a reinforced concrete outfall on Palmer beach, at a cost of \$9,010.38.

This new outfall on the beach will prevent the water in Palmer pond from rising above grade 11.0 and flooding cellars in this section.

Standpipe

A new steel standpipe, 40 feet in diameter and 90 feet high with a capacity of 876,000 gallons, was erected near the present one by the Chicago Bridge and Iron Works. The cost of the foundation, which was constructed by the town, and the steel standpipe was \$20,396.88.

The additional height of twenty feet above the old one will increase the water pressure between six and eight pounds, besides giving greater storage and a more constant pressure in the dry periods when the water consumption is very great.

Assessors' Department

The yearly routine work necessary to bring the plans and card index up to date for the Assessors' Department have been completed.

Selectmen's Department

Data and estimates have been furnished for the Selectmen's Department and plans submitted for their approval.

At the request of property owners, street lines and grades have been given for the grading of lawns and building walls, etc.

Respectfully submitted,

WALLACE W. PRATT,
Town Engineer.

Building Inspector

To the Board of Selectmen:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1933.

	Permits Issued	Estimated Cost
Dwellings:		
New	13	\$86,200
Alterations and additions	25	12,835
Private Garages:		
New	36	13,905
Alterations and additions	3	515
Business Buildings:		
Refreshment stand (addition)	1	1,000
Refreshment stand (alteration)	1	500
Town Buildings:		
G. A. R. Hall	2	700
Miscellaneous:		
Grease shed	1	200
Demolish dwellings	4	
Summer house	1	75
Coal pocket (alterations)	1	400
Play house	1	25
Hen houses	3	325
Pigeon coop	1	50
Greenhouse	2	550
Hotel (alterations)	1	2,500
	<hr/>	
Building permits	96	
Permits to shingle	41	
	<hr/>	
Total	137	\$119,780
Number inspections (buildings)		209
Number inspections (shingling)		41
		<hr/>
Total		250
Amount of building fees collected		\$94.00
Elevator operators' licenses issued:	No.	Fees
New	4	\$4.00
Renewals	2	1.00
	<hr/>	
Total	6	\$5.00

All hotels and elevators have been inspected and returns made to the State. Several complaints of violations of the building laws have been investigated and in all cases adjustments made.

Respectfully submitted,

FRANK L. BURK,
Building Inspector.

Report of Surveyor of Highways

To the Citizens of Swampscott:

I herewith submit my annual report for the year 1933. No street construction work was done this year by the town.

Several streets were scarified with steam roller, honed with road machine and sealed with retread tar and sand.

Shoulders on Essex street and Atlantic avenue have been reshaped eight times during the year.

All streets where drains were laid this summer were reshaped with roller and oiled with No. 6 asphalt road oil and covered with sand.

Bradlee avenue, where a drain was laid this summer, was reshaped with roller, widened as to available street surface, oiled with No. 6 asphalt road oil and covered with sand. One large tree which stood within the street lines was removed to permit the placing of catch basin and corner curb.

Several streets have been oiled with asphalt road oil and covered with sand.

Pitman road was put to grade, sidewalk built and the street seal-coated with No. 6 asphalt road oil and sand.

The usual work of patrolling street surfaces has been done.

The number of feet of curbstone reset during the year was 2260.

Repairs have been made on sidewalks where needed, the following amounts of material being used: 151 tons of stone dust, 143 loads of gravel and 26 loads of cinders.

The number of loads of sand used for sanding icy streets and sidewalks was 259.

Tar concrete sidewalks on the following streets were repaired either wholly or in part: Redington street, Greenwood avenue, Beach avenue, Columbia street, Pine street, Phillips street, Stetson avenue, Claremont terrace, Burrill street, Puritan road, Cedar Hill terrace, Hardy road, Outlook road, Millett road, Pleasant street, Hillside avenue, Eastern avenue, Cherry street, Rock avenue, Banks terrace, Beach Bluff avenue, Walker road, Mountwood road. All this work was done by the men of the department.

Two hundred and four yards of granolithic sidewalks were repaired.

The wood block pavement on Humphrey street has blown up 11 times during the year and was replaced in each instance immediately. This pavement has now been in place for 19 years.

Two manholes were rebuilt and the following drain pipe laid: 90 feet of 15-inch pipe, 26 feet of 12-inch pipe, 40 feet of 10-inch pipe and 22 feet of 6-inch pipe. Two catch basins were rebuilt.

A new catch basin was built on Burrill street, north of the corner of Paradise road. This required the building of one manhole and one catch basin the laying of 60 feet of 15-inch drain pipe. This was done to take care of the surface water which at times of storm has created a dangerous condition at this point.

The Cherry street drain was extended, one manhole and two catch basins being built and 136 feet of 15-inch drain pipe and 50 feet of 12-inch drain pipe laid. This, it is believed, will take care of the surface water on this street.

Eight manholes were brought up to grade.

Three hundred twenty-two feet of guard rail fence has been repaired and snow fences placed on Salem street, Crossman avenue, and Dennison avenue.

Nine traffic posts with signs, reading "Slippery when wet," were placed on Humphrey street and Essex street.

All gutters and catch basins in all streets have been cleaned when needed. About 2600 yards of tarred and mixed stone have been laid in gutters to prevent washing out. Forty-two driveways were lowered.

Temporary repairs were made on both the Essex street and Danvers street bridges. Both should be replanked this year. The iron work of the Danvers street bridge was scraped and painted, the work being done by experienced, temporarily unemployed men of the Boston & Maine Railroad.

Some 48,797 gallons of asphalt road oil and tar were used on the streets, the same being purchased under contract. The prices paid were: Cold patch asphalt at town yard and put in barrels .0877 cents; cold patch tar .135 cents; No. 3 asphalt road oil .07 cents applied; retread tar .1015 cents applied; No. 6 asphalt road oil .07 cents applied. All oil or tar applied on streets was covered with sand.

The working force of the department has carried on with three men less than in 1932, two men retired on a pension and one died. The usual working force consists of thirty men.

I recommend that the town purchase the following equipment: Two motor driven sidewalk plows, one small truck and one compressor.

Respectfully submitted,

MICHAEL J. RYAN,
Surveyor of Highways.

Report of Dog Officer

To the Board of Selectmen:

During the year 1933, 61 complaints concerning dogs were received, each of which was investigated and remedied. Ninety-two dogs were turned over to the dog officer, 53 being restored to their owners, and 39, which were proven to be stray dogs, were done away with. All owners who have neglected to license their dogs as called for in the public statutes have been notified and required to take out the necessary licenses. There were 472 licenses granted.

Respectfully submitted,

FRANK H. BRADFORD,
Dog Officer.

Board of Appeals

During the six months ending June 6, 1933, three petitions were heard of which one was granted and two denied. The following is a resume of these hearings.

Number	Date	Petitioner	Petition
1933-1	Jan. 23	A. T. Newth	Allow him to practice as a masseur in his home at 124 Greenwood avenue. Decision: Petition denied.
1933-2	Apr. 27	Pauline M. Bishop	To build a garage in cellar of house less than 15 feet from street line at 128 Greenwood avenue. Decision: Petition granted. Overhead doors must be kept closed when not actually in use and the new structure is not to extend in any way beyond the present building line.
1933-3	June 5	Rosina Mastromarino	To use premises at 164 Essex street for business purposes. Decision: Petition denied.

On March 23, William O. Titcomb, who had been a member of the board since February 24, 1928, passed away after a brief illness. On April 20, Joseph Atwood, former member of the Finance Committee, was appointed to fill the vacancy.

Respectfully submitted,

GEORGE M. GLIDDEN,
RALPH MAXWELL,
JOSEPH ATWOOD,

Board of Appeals.

The same board having been reappointed for the term ending June 6, 1934, George M. Glidden was re-elected Chairman and Horace R. Parker, Secretary. Owing to the fact that appropriation was made only for the balance of the term, from January 1 to June 6, the secretary has served without compensation for the term beginning June 6, 1933.

During the six months ending December 31, 1933, two petitions were heard, one of which was granted and one denied.

Number	Date	Petitioner	Petition
1933-4	Aug. 31	Clara P. Blethen	To build within the set back area and within two feet of the street line at 23 Ingalls terrace. Decision: Petition granted. Garage doors to open in and to be kept closed when the garage is unoccupied.
1933-5	Sept. 11	Mildred Pinto Faella	To build a garage within the set back area at 688 Humphrey street. Decision: Petition denied.

Respectfully submitted,

GEORGE M. GLIDDEN,
RALPH MAXWELL,
JOSEPH ATWOOD,

Board of Appeals.

Report of Planning Board

During the year ending December 31, 1933, the personnel of the Planning Board was as follows: George M. Glidden, chairman; John R. Hurlburt, secretary; Henry S. Baldwin, Ralph J. Curtis, and Herbert E. Ingalls. Ralph J. Curtis and Henry S. Baldwin were re-elected for a term of three years at the annual town meeting of February 20, 1933.

Town Plan

The development of the Town Plan has progressed during the past year, and the same necessity for improvements in the High School, Town Hall and Police Station still exists. The High School, especially, is both inadequate and unsuitable, and the enlargement or replacement of the same should be undertaken as soon as it can be properly financed.

Street Widenings

Since there have been no urgent requests or serious situations in regard to street widenings, the board has made no recommendations during the current year.

State Zoning By-Laws

The Board recommends that the town adopt the amendments to the State Zoning By-Laws, allowing our laws to conform with the laws in other communities.

Walker Road Entrance to State Road

With the co-operation of the Highway Division of the Department of Public Works, this junction has been greatly improved, thereby lessening the danger formerly prevalent at this point.

Humphrey Street Paving

The board repeats its former recommendation to remove the wooden blocks and repave Humphrey street with modern paving. The present paving is dangerous in that it is extremely slippery when wet, and during heavy rains the surface bulges and often opens up. This constitutes a serious menace to traffic and the Highway Department is under great expense for repairs and maintenance.

Article 10

Special Town Meeting, November 6, 1933

This article called for the erection of bleachers, necessary locker and other rooms, to establish a suitable athletic field and the enclosing of any section of said field as part of a long range plan for the development of Phillips Park by the Park Commission. The adoption of the above was not recommended by the Board.

The article also called for the filling and grading of that section of Phillips Park designated on a map submitted by the Park Commission, the cost of said filling and grading estimated at \$8,500. The board recommended the adoption of the latter and further recommended that all material suitable for filling, sub-surface, or top filling made available by the several town departments be deposited on Phillips Park, as designated by the Park Commission, and also as far as possible, the labor employed on this work be taken from the unemployed list.

Swampscott Highlands

At the request of the Board of Health, several conferences were held jointly with the Board of Health and the Board of Selectmen, to consider the problem of sanitation in that section of the town, known as Swampscott Highlands, or Foster's Dam.

The water supply in this section is from surface pipes and wells, the town supply being shut off during the winter months, leaving available the wells only. The Board of Health reported that all of these wells were contaminated by the adjacent cess-pools, and therefore had been condemned by both local and State authorities.

Nevertheless, the inhabitants were and now are using these polluted wells at their own risk, with consequent imminent danger of an epidemic.

The problem, therefore, is to either provide a year-round supply of town water or close every home in that section of the town. The latter is evidently unjustified and the former cannot be done until the roads are brought to grade and accepted by the town. This is the logical solution and was referred to the board for investigation and recommendation. The board therefore requested the Town Engineer to make a survey on this basis and the following estimates were submitted:—

	Bituminous Macadam Roadway	Gravel Roadway	Water Pipes
Foster road (Burpee Rd. to Windsor Ave.)	\$23,500	\$18,700	\$13,500
Windsor avenue (Lynn line to Foster Rd.)	5,500	4,300	3,700
Windsor avenue (Foster Rd. to Nichols St.)	22,200	17,800	10,700
	<hr/> \$51,200	<hr/> \$40,800	<hr/> \$27,900

The above estimates include bringing the present roadbeds to grade, and while the bituminous macadam roadway offers the minimum cost of maintenance, the gravel roadway with a surface application of tar or asphaltic oil and sanded is recommended by the board for two reasons, first, its lower cost; and second, that about 80% of the roads in the town are of this type and seem to be standing up very well, even in the hilly sections.

The board further recommends that this work be undertaken promptly, in order to safeguard the public health; the cost to be assessed under the Betterment Act. Chap. 80, of the General Laws, accepted by the town, February 19, 1917, and that accordingly the Board of Health cause an article to be inserted in the warrant for the next annual town meeting, calling for the immediate acceptance of this project by the town.

Signed,

GEORGE M. GLIDDEN,
HENRY S. BALDWIN,
JOHN R. HURLBURT,
RALPH J. CURTIS,
HERBERT E. INGALLS.

Report of Superintendent of Cemetery

To the Board of Selectmen:

Gentlemen:—I submit herewith my 18th report as Superintendent of the Swampscott Cemetery.

The number of interments for the year was 68.

The number of lots sold was 12 and single graves seven.

The amount received for the sale of these lots was \$2,635.00

One old lot was placed in perpetual care.

There were completed during the year 90 single graves, which will probably be sufficient for a number of years.

All the lots were numbered and shade trees and shrubs were planted so that in time the new part of the cemetery will conform to the tree shaded old part. Water extensions were placed where grading was completed and all walks were given a thin coat of blue gravel. Weed killer was used throughout the cemetery to prevent the spoiling of the grass. Two large trees, broken and made unsightly by the wind were taken down, the work being done by persons who were willing to perform the labor, taking the wood as their pay. Some 50 new shade trees taken from the town nursery were planted in various parts of the cemetery. Several old tree stumps were removed. Seventy-five sunken graves were filled and 300 loads of good loam were placed on perpetual care lots in the old part of the cemetery. Markers were made for 100 lots, and these will be put in place as fast as the lots are completed.

The Andrews Memorial Chapel was used frequently, again proving the wisdom of the donors in providing a very fine place in which to hold final services. The tomb was thoroughly whitewashed and put in good shape.

New evergreen shrubs were placed in front of the chapel, the shrubs taken from there being placed on the railroad side of the cemetery.

Respectfully submitted,

THOMAS HANDLEY,
Superintendent of Cemetery.

Inspector of Animals

To the Board of Selectmen:

I herewith submit my report for 1933. There was one general inspection of cattle and swine during the year, and all animals were found healthy and the barns clean with good light and ventilation.

There have been thirty-two so-called "dog-bite" cases reported this year. The dogs involved have been quarantined for two weeks, at which time they were examined again for rabies. They were all found to be healthy at this second inspection, and were released.

There have been no contagious diseases among animals reported this year.

Respectfully submitted,

FRANK B. STRATTON, M.D.V.

Tree Warden

To the Board of Selectmen:

A thorough inspection of the trees along the highways of the town has been made during the year to eliminate any danger from falling limbs due to the high winds. The elm trees along Burrill street, between the Monument and Town Hall, have been the object of special attention. Due to the age of these trees a great deal of dead wood has had to be cut out and they are beginning to be unsightly, especially after the leaves have been blown off. Many persons have commented on the fact that eventually these trees will have to be removed as a matter of public safety. The majority of citizens would, in my opinion, object to any action that would remove the fine impression that visitors arriving at the railroad station and driving down the main street receive as they wend their way along a wide, tree-shaded thoroughfare, and everything will be done by this department to preserve these old trees.

Illuminating gas escaping from the mains killed three trees during the year. Trees were planted along the highways to the number of 118 and the vacancies made by the removal of 21 dead trees were for the most part filled and included in the number planted. It is to be regretted that careless and thoughtless action by children and others has ruined many of the small trees set out along the highways and prevented their proper growth. This is a subject that might well receive attention in the public schools.

Low limbs over the sidewalks have been removed, but here again there is thoughtless action by young people, especially on their way from the beach in summer, who jump up and pull down the low limbs, making it necessary to remove the limb and making the tree out of proportion. Tree guards have been used wherever such action seemed advisable, and this has prevented much damage from auto hub caps.

Respectfully submitted,

BERNARD B. KENNEDY,

Tree Warden.

Town Counsel

To the Board of Selectmen:

Gentlemen:—Following is my report for 1933:

A large number of minor matters were handled during the year, legal opinions furnished to town officials and departments, and hearings attended.

Respectfully submitted,

H. D. LINSOTT.

Moth Superintendent

To the Board of Selectmen:

We are again pleased to report that there was no defoliation of trees in town by moth pests of any kind. All the street trees were sprayed, but the spread of the Oriental Moth, which was checked last year on street trees, appears to have extended into private property. Where notice is received of the appearance of the Fall Web Moth in any part of the town the trees effected and those in the vicinity will be taken care of without charge. The creosoting of the egg clusters of the gypsy moth has already been begun, but has been held up for a short period by the heavy snow at the end of the year. The work is soon to be resumed. Because of radio talks sponsored by private concerns looking for jobs, a great many people became alarmed and urge that their trees be sprayed at once. This is not feasible without doubling the equipment and the number of men employed, because of the impossibility of being in two places at once. I have considered asking for another, smaller type spraying machine, but have hesitated from doing so at the present time when all costs must be kept at a minimum.

Attention is called to the fact that the charges for spraying do not appear upon the tax bills for the same year, owing to the fact that the work is not completed until after the assessors' books are closed. The amounts charged on the 1934 bills will be for spraying done in 1933 and not in 1934.

Respectfully submitted,

BERNARD B. KENNEDY,

Moth Superintendent.

Forest Warden

To the Board of Selectmen:

There were twenty-two forest fires this year, but none of them assumed large proportions because of the prompt response and effective work of the fire department. The State Forester has repeatedly called attention to the importance of stamping out cigars and cigarettes before they are thrown away in places where they may cause fires, and I again call the attention of the citizens to this caution. Several of the forest fires were undoubtedly caused by the throwing away of a lighted cigarette or cigar stub.

There were 248 permits issued for out of door fires, as required by law, which shows that the citizens are noting the fact that no bon fires should be lighted unless a permit has first been secured from the Forest Warden and no attempt should be made to light such a fire on a windy day.

Respectfully submitted,

BERNARD B. KENNEDY,

Forest Warden.

In Memoriam

SIDNEY E. BAILEY

Member of School Committee for three years, March 17, 1902, to March 20, 1905. First principal of Swampscott High School.

Died December 5, 1933.

REV. JOHN VANNEVAR, D.D.

Member of School Committee February 17, 1919, to February 16, 1931. Chairman, 1926, 1927, 1929, 1930.

Died November 27, 1933.

WILLIAM O. TITCOMB

Sitting member of the Board of Appeals, appointed February 24, 1928.

Died March 23, 1933.

TOWN MEETING MEMBERS

Amos F. Bailey, Precinct Three, 1933, died November 24, 1933.

Dr. Chas. H. Bangs, Precinct Three, 1928, 1929, 1930, 1931, 1932 and 1933. Died August 6, 1933.

Charles D. C. Moore, Precinct Eight, 1931, 1932 and 1933. Died July 15, 1933.

William O. Titcomb, Precinct Three, 1930, 1931, 1932 and 1933. Died March 23, 1933.

Board of Selectmen

To the Citizens of Swampscott:

The Board of Selectmen submits herewith its annual report for the year 1933, together with the reports of all other officers, boards and committees submitted in accordance with the by-laws. There is also appended the budget of appropriations asked for the conduct of the various departments during the year 1934.

Unemployment Relief

Immediately after assuming office the board took up the problem of unemployment, and after a study decided unanimously to turn the supervision of the balance of the unemployed money over to Clarence W. Horton, under the direction of the board, if he would accept. Upon his acceptance it was further voted that he be delegated to have charge of the unemployment end of the work with power to handle and conduct the same to suit himself, set rate of pay and do all that is necessary in connection with the work. The jobs to be done were selected by the board and Harold F. Merrill, an engineer familiar with the laying of drains and other contracting projects, was appointed supervisor of the work. Under his direction a drain was laid in Ocean avenue as a continuance of the Atlantic avenue and Phillips avenue drain to Palmer Beach, thus eliminating the dumping of surface water into Palmer Pond. An extension was laid in such a way as to drain Palmer Pond and thus eliminate the danger of flooding adjoining property abutting on the pond area. Existing funds were used for this project and with the co-operation of the finance committee, which transferred \$2,500 from the reserve fund, a concrete outlet was built upon the beach, thus completing in a permanent way the drain. The wisdom of this extra expenditure has been shown in many ways, especially by the withstanding of several heavy storms. While it has been a common idea that work done by the so-called unemployed has been of a more or less shiftless character, a means of providing money for a minimum of ineffectual effort, such is not the case in Swampscott, as anyone familiar with the work accomplished, the difficulties under which the work has been done and the time consumed in completing each project, can honestly and sincerely testify. The men have quickly adapted themselves to the work, have started promptly and carried on continuously without it being necessary to continually goad them into extra effort. The board would be lacking in appreciation if it did not thus permanently record its impression that work done throughout the year by the unemployed has been of a character above criticism.

Upon the completion of the outfall, the work was continued up Bradlee avenue to Atlantic avenue and extended along Atlantic avenue in a way to complete the solving of the surface drainage problem. Some little more remains to be done, and as soon as further funds are available this will also be completed. The work included the laying of 380 feet of 18-inch concrete pipe, 1140 feet of 15-inch concrete pipe, 1036 feet of 12-inch concrete pipe, the building of 12 manholes, the building of four catch basins and the building of a reinforced concrete outfall on the beach. The total cost of this work was \$8,991.88.

The men were transferred next to Forest avenue, where 248 feet of 12-inch concrete pipe were laid and one catch basin was built, near the corner of Fuller avenue, to relieve surface water conditions, as voted by the town meeting at a total cost of \$800. Upon completion of the Forest avenue project, a drain was laid across private

property from Mapledale place to Sheridan road and thence to Walker road. This was voted by the town meeting upon recommendation by the Water and Sewerage Board to relieve a condition dangerous to health whenever there was a heavy rain. Owners of the property crossed gave easements and waivers before the work was started without cost to the town, upon agreement by the town officials that the properties would be restored to good condition upon completion of the work. All have expressed themselves as entirely satisfied with the way the work was left. The work was carried on under the meanest of conditions, because of the thoroughly saturated condition of the area in which the pipes had to be laid, but the men went at it and kept at it without complaint, again showing that what they really wanted was work and not charity. The number of feet of concrete pipe laid was 448 feet of 15-inch and 12 feet of 12-inch. Two catch basins and seven manholes were built. The cost was \$2,066.09.

The force was next transferred to the cemetery, where the work previously undertaken was resumed, work that in the years to come will prove of a lasting benefit to the community. It consists of excavating the ground, removing existing ledge, and filling the excavation with gravel from which the large stones have been removed, thus making new graves which will soon be available to the public. The stones removed and the broken up ledge have been used in building retaining walls for the support of the various avenues which will later be surfaced, and for building a boundary wall along the Essex street side of the cemetery. Drainage of the low area near Capen road was also provided.

Civil Works Administration

On November 28 word was received from the Civil Works Administration that Harry E. Cahoon, Chairman of the Board of Public Welfare, had been appointed local Civil Works Administrator for Swampscott, and that the town should immediately apply for its quota of \$24,000. It might be said in passing that when comparison is made with other towns concerning the amount allotted, it should be borne in mind that allotments are made on the basis of the amount expended for public welfare and not on the basis of influence exerted, as seems to be the popular idea. Swampscott's expenditures for welfare have been small, \$16,000 last year and \$20,000 this year.

The following figures are taken from the Town Reports for 1932 for the towns named, and do not include any institutional expense: Marblehead, \$93,490.60; Saugus, \$74,897.78. It was not to be expected that a town which expended one-sixth of the amount expended by its neighbor should receive as much in return as it did.

It is necessary for the town to pay for tools, trucks, materials, engineering and supervision, the government paying only labor. The expense of setting up offices and providing places in which work can be carried on had to be borne by the town also. Fortunately the town had a balance in the cemetery fund from which these expenses could be paid, and it received an allotment of \$19,600 for labor, which, with the \$4,000 agreed to be paid by the town, practically made up its quota. No materials are paid for by the C.W.A., no salaries to directing officials, the government confining itself strictly to labor. Wherever there were balances that could be used projects were submitted, but every other project was turned down or held over until further Federal funds could be obtained by the C.W.A. officials, who promised to again consider these projects as soon as the funds are ready. They expressed a belief that the work will be further extended after the 15th of February.

In every way the Swampscott end of the C.W.A. has been carried on strictly in accordance with the rules laid down, and the town

has had the approval of the various inspectors who have looked into the manner in which the work has been handled. Offices have been provided in the Town Hall for the National Re-employment Office under the direction of Harold J. McLaughlin, who was appointed by the State director as local re-employment director, and fully equipped with telephone, typewriter, files and desks. Adjacent to the office is a commodious waiting room entirely separate from any other Town Hall activity, all as required by the rules laid down by the administration. A well equipped office has also been provided for the Civil Works Administrator. The Woman's Division, under the direction of Mrs. Florence E. Preston, has been given the use of the main hall of the Town Hall. It is understood that in the Women's Division the government provides the larger sewing material. The town was relieved of the necessity of providing sewing machines through the generosity of several public spirited women.

Pay of Policemen and Firemen

Following the annual town (business) meeting on Tuesday, February 28, the Board met in special session and voted that the following notice be sent to all members of the Police and Fire departments and to the Sealer of Weights and Measures, all of whom are under Civil Service:

"You are hereby notified that the Board of Selectmen contemplate reducing the compensation of your position in the department of the Town. The reasons are that present financial conditions, and the action of the Annual Town Meeting in reducing the appropriation for the department, require such action. The Board will give you a hearing upon the proposed reduction on Monday, March 6, 1933, atP.M."

Twenty-seven of these notices were delivered in hand and six left at the residences of the persons to whom the notices were sent.

The hearing was held on the date specified and at the close of the hearing the following motions were made and seconded and unanimously adopted on a roll call vote:

The Board of Selectmen of the Town of Swampscott having given written notice in accordance with the law to each member of the police department in said town that the Board contemplated lowering the compensation of such police officer with the reasons therefor, and a full hearing to each police officer having been duly given, it is voted:

That the compensation of each member of the police department be reduced by ten per cent., such reduction to become effective with the next payroll of said department and to remain effective until further action by the Board of Selectmen; provided, however, that in case any such police officer desires to make a voluntary contribution of the amount which his compensation shall thus be reduced, this may be done and shall be taken in lieu of such reduction provided an instrument executed by such police officer be filed by him and accepted and approved by the proper authorities.

The reason for the foregoing reduction in compensation is the present financial situation and the action of the annual town meeting in reducing the appropriation of the police department of the Town of Swampscott.

The second vote substituted the words fire department and firemen where the words police department and policemen were used. The third vote substituted sealer of weights and measures and sealer of weights and measures department.

The secretary was instructed to deliver to each of the employees referred to a copy of the vote, and this was done the following day, fourteen being delivered in person and nineteen delivered at the houses of the others.

On March 8 the fire department submitted an agreement, known as agreement No. 1, signed by each of the sixteen members of the department, reading as follows:

The undersigned each hereby contributes ten per cent. of their respective salaries as firemen of the Town of Swampscott for the period beginning with the next weekly payroll and continuing until December 31, 1933, toward the operating expenses of the Fire Department of Swampscott and authorize the Board of Selectmen, the Town Accountant and the Town Treasurer to carry out such contribution as a deduction on the fire department payroll.

On March 9 individual slips of similar tenor were received by registered mail from the following members of the police department: Captains Brogan and Kennedy and Officers Delano, Horton, Owens, Roach, Ryan and Frazier.

Also on March 9 an agreement known as agreement No. 2 providing for the contribution "until the dissolution of the next annual town meeting" was received signed by the chief and Patrolmen Connell, Costin, Hooper, Jordan, Pedrick, Shanahan and Wall.

The Sealer of Weights and Measures signed agreement No. 2.

Under the vote of the Board the 10 per cent. reduction will continue until further action by the Board.

Andrews Memorial Chapel

During the funeral services of S. Blaine Kehoe, which were attended by a large gathering of comrades and friends of the deceased, a serious accident was narrowly averted when the main floor of the Chapel dropped several inches. Fortunately cool heads prevailed and there was no panic. The Building Inspector was at once instructed to make a thorough examination and reported that dry rot had set in and it would be necessary to remove the entire floor of the structure before the Chapel could again be used. He was further instructed to have air ducts put into the foundation walls to prevent a recurrence of the trouble. The Chapel was thereafter closed to public use until the repairs were completed, at a cost of \$275.03. New floor timbers were laid and an entirely new floor placed upon them.

Licenses for Liquor

The State having passed Chapter 120 of the Acts of 1933, permitting the licensing of the sale of liquor, the board acting under the provisions of this act, filed with the Town Clerk the following vote: "The licenses for the sale of wines and malt beverages shall be granted in the Town of Swampscott pending the taking of a vote for the town in accordance with Chapter 120 of the Acts of 1933."

Under this vote only hotels were granted: Willey House, Glover House and New Ocean House. No others applied. On June 13, the Town voted at a special election to authorize the granting of licenses, and under this three retailer licenses were granted. The fees were established at \$100 a year for hotels and retailers and \$50 for restaurants. No restaurant licenses were granted, however, until upon an appeal to the Alcohol Beverages Control Commission by John A. Dedrick and Harold D. Spinney. The commission ordered that they be granted. Four restaurants were thereupon licensed, making a total of ten divided by three hotels, four restaurants and three retailers. All of these were under the 3.2 grant.

In December, when the new liquor bill had been passed, the board took similar action, as it had in June, and filed with the Town Clerk its vote that licenses for the sale of all alcoholic beverages be granted pending the town's decision by ballot at the annual town meeting. Under this vote the following licenses have been granted: All Alcoholic Beverages: Glover House, hotel, Louis A. Hershman, retailer. Wines and Malt Beverages: Robert B. Hegarty, retailer, Willey House Hotel, John A. and Mary Dedrick and Harold D. Spinney, restaurants.

Automobile Parking

In an endeavor to retain for the people of Swampscott, at least a portion of the use of the bathing beaches, the board held several conferences with the Park Board, Chief of Police and interested citizens. A portion of the Blaney Beach Park was made over in a parking space, which was reserved for the use of Swampscott people. Parking rules were adopted, restricting the duration of parking on Humphrey street to sixty minutes, and no parking was voted on all streets within a quarter of a mile of Blaney Beach. The results were very satisfactory.

With the co-operation of property owners near Phillips and Palmer Beach, similar parking rules were adopted and the residents provided special parking spaces and employed officers to control same at their own expense. The result here was decidedly an improvement over the conditions of previous years.

Relief Fund

In May the American Legion very generously offered the services of the entire cast of its show for the benefit of any local charitable organization, and the Board invited all the organizations of the town to attend a meeting to consider the offer. Ten organizations were represented, and as a result a carnival was held on Phillips Park, under the direction of Guy T. White, who had been elected chairman of the committee. Unfortunately, the weather during the week of the carnival was such as to interfere with the attendance and necessarily curtailed the receipts. Nevertheless, the committee turned over to the fund the sum of \$269.69. A portion of the fund was used in completing a fund for the purchase of an artificial leg for a worthy man who had always done his share in working for others.

Respectfully submitted,

HORACE R. PARKER,
Town Accountant.

Town Warrant

Monday, February 19th, 1934

Essex, ss.

To either of the Constables of the town of Swampscott in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and in town affairs, to assemble in their respective precincts, in said Swampscott, on Monday, the nineteenth day of February, at 6 A.M., then and there to act on the following articles, viz:

At the close of the election the meeting shall adjourn to Monday, February 26, 1934, at 7.45 P.M., at the Town Hall.

Article 1. To choose a Moderator for one (1) year.

To choose a Town Clerk for one (1) year.

To choose three members of the Board of Selectmen for one (1) year.

To choose a Town Treasurer for one (1) year.

To choose one member of the Board of Assessors for three (3) years.

To choose a Collector of Taxes for one (1) year.

To choose one member of the School Committee for three (3) years.

To choose one member of the Board of Public Welfare for three (3) years.

To choose one member of the Board of Health for three (3) years.

To choose one member of the Water and Sewerage Board for three (3) years.

To choose one member of the Park Commission for three (3) years.

To choose one member of the Board of Trustees of the Public Library for three (3) years.

To choose one Tree Warden for one (1) year.

To choose three Constables for one (1) year.

To choose one member of the Planning Board for three (3) years.

To choose one member of the Board of Commissioners of Trust Funds for three (3) years.

To choose eight (8) representative town meeting members in each precinct for three (3) years; To choose one representative town meeting member in precinct three for two (2) years;

All to be chosen on one ballot.

Article 2. 1, Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

2, Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Article 3. Shall an act passed by the General Court in the year nineteen hundred and thirty-four entitled "An Act making the provisions of the Civil Service Laws Applicable to the town of Swampscott with respect to its Highway Department" be accepted?

Article 4. To hear and act on the reports of town officials, boards and committees.

Article 5. To see what amount of bonds will be required of the Town Clerk and Custodian of Trust Funds for the ensuing year.

Article 6. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year, beginning January 1, 1934, and to issue a note or notes therefor, payable within one year, the debt or debts incurred thereby to be paid from the revenue of said financial year.

Article 7. To see what action the town will take in relation to salaries of town officials for the ensuing year.

Article 8. To see if the town will accept donations from the employees of any department.

Article 9. To see what action the town will take in relation to the recommendations not calling for the appropriation of money, as contained in the reports of officers, boards or committees.

Article 10. To see what action the town will take in relation to the recommendations calling for the appropriation or expenditure of money, the creation of a debt, or the disposition of town property, as set forth in the reports of officers, boards or committees.

Article 11. To see what action the town will take in relation to the appropriation of money for departmental and other expenses as recommended and set forth on pages 156-157 of the annual town report.

Article 12. To see if the town will vote to elect the Collector of Taxes and the Town Treasurer each for a term of three years beginning with the annual town election for the year 1935.

Article 13. To see if the town will pass the following by-law: The Collector of Taxes shall have the sole authority to collect, receive, sue for, all water bills and other sums due for supply of water, service furnished by the water department, or interest under any agreement with the Water Department. Any existing by-law inconsistent with the foregoing is hereby repealed.

Article 14. To see if the town will vote to authorize the town treasurer with the approval of the Board of Selectmen to assign any tax titles held in his custody under the provision of the General Laws of the Commonwealth of Massachusetts, and to execute, acknowledge and deliver assignments thereof in the name and behalf of and under the seal of the town of Swampscott as provided for under Chapter 60, Section 52, of the General Laws, Tercentenary edition as petitioned for by Clarence B. Humphrey et al.

Article 15. To see if the town will vote to appropriate the sum of \$2,000 for the foreclosure and redemption of tax titles, to be expended by the Town Treasurer under the direction of the Board of Selectmen.

Article 16. To see if the town will vote to appropriate to the account of unpaid bills the sum of \$1,899.96 to cover bills of the departments named contracted in 1933 and remaining unpaid at the time of the closing of the books for the year 1933. Board of Public Welfare, \$1,757.00; Park Department, \$114.51; Heat and Light G. A. R. Hall, \$12.04; Library, \$16.41.

Article 17. To see if the town will authorize the Board of Assessors, the Park Commission, the Board of Public Welfare and the Planning Board to appoint a member of such Boards to act as Sec-

retary thereof and receive pay therefor as provided by Chapter 41, Section 4A of the General Laws, Tercentenary edition.

Article 18. To see if the town will authorize the Board of Public Welfare to appoint one of its own members as agent and investigating officer and to fix the salary of such appointee as provided by Chapter 41, Section 4A of the General Laws, Tercentenary edition.

Article 19. To see what action the town will take in relation to the appropriation or raising of money for permanent street construction.

Article 20. To see if the town will vote to remove the wooden blocks on Humphrey street and resurface same with some kind of permanent pavement and appropriate money therefor as recommended by the Surveyor of Highways.

Article 21. To see if the town will vote to straighten and widen, also resurface Puritan road and appropriate money therefor as recommended by the Surveyor of Highways.

Article 22. To see if the town will vote to replank the surfaces of Essex street and Danvers road bridges and appropriate money therefor as recommended by the Surveyor of Highways.

Article 23. To see if the town will vote to lay a drain and build necessary catch basins and manholes to take care of the surface water on Fuller avenue, Bay View avenue, and Cedar Hill terrace and appropriate money therefor as recommended by the Surveyor of Highways.

Article 24. To see if the town will vote to take such action as may be necessary as will eliminate the damage done by the uncontrolled flow of surface water on Humphrey street, Bay View drive, Cedar Hill terrace, and Greenwood avenue and appropriate money therefor as petitioned for by Caroline T. Hobbs et al.

Article 25. To see if the town will vote to put Lewis road and Kensington lane, together with the sidewalks of same in shape with a proper top finish and appropriate money therefor as petitioned for by Frank J. Carls et al.

Article 26. To see if the town will vote to purchase the following equipment for the use of the Highway department: Two motor driven sidewalk plows, one small truck and one air compressor and appropriate money therefor as recommended by the Surveyor of Highways.

Article 27. To see if the town will instruct the Surveyor of Highways to clean the town's beaches weekly from May 15 to October 15, or more frequently if conditions require and appropriate money therefor as petitioned for by Weston K. Lewis et al.

Article 28. To see if the town will vote to accept Hampshire street as a public way as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, Town Engineer dated January 1934, and to appropriate money therefor, as petitioned for by Newton Courtney et al.

Article 29. To see if the town will vote to accept the laying out of Foster road, as made by the Board of Selectmen, and as shown on a plan dated February 1934, drawn by W. W. Pratt, Town Engineer, on file in the office of the Town Clerk, under the laws of the Commonwealth, authorizing the assessment of betterments; will authorize the Board of Selectmen to acquire by purchase or eminent domain or either, an easement over or fee in the land within the location of said lay-out; construct a public street in accordance therewith, and appropriate money therefor, as recommended by the Board of Health.

Article 30. To see if the town, in the event of the acceptance and construction of Foster road as laid out by the Board of Select-

men and shown by plan dated February, 1934, drawn by W. W. Pratt, Town Engineer on file in the office of the Town Clerk, will vote to authorize the Board of Water and Sewerage Commissioners to lay a water main in said road under the laws of the Commonwealth authorizing the assessment of betterments and appropriate money therefor, as recommended by the Board of Health.

Article 31. To see if the town will vote to amend or annul Section 8 of Chapter VII of the Town by-laws so that the same shall not apply to any construction of a public street, laying of main, or to doing other public work on Foster road and Windsor avenue so-called, as recommended by the Board of Health.

Article 32. To see if the town will vote to accept the laying out of a portion of Windsor avenue as made by the Board of Selectmen, and as shown on a plan dated February, 1934, drawn by W. W. Pratt, Town Engineer, on file in the office of the Town Clerk, under the laws of the Commonwealth authorizing the assessments of betterments; will authorize the Board of Selectmen to acquire by purchase or eminent domain or either, an easement over or fee in the land within the location of said lay-out; construct a public street in accordance therewith, and appropriate money therefor, as recommended by the Board of Health.

Article 33. To see if the town, in the event of the acceptance and construction of a portion of Windsor avenue as laid out by the Board of Selectmen and shown on plan dated February, 1934, drawn by W. W. Pratt, Town Engineer, on file in the office of the Town Clerk, will vote to authorize the Board of Water and Sewerage Commissioners to lay a water main in said avenue under the laws of the Commonwealth authorizing the assessment of betterments and appropriate money therefor, as recommended by the Board of Health.

Article 34. To see if the town will vote to acquire by eminent domain, by purchase, or either, for the purpose of a public way, a fee in, or an easement over, or both, certain land lying between Aspen road and Millett road, a description of which follows, and appropriate money therefor, as recommended by the Board of Selectmen.

Beginning at the point of curve on the Southerly line of Aspen road, said point being the Northwest corner of property owned by Mary E. Desmond, thence S28-51-30E along the Southerly line of Aspen road for a distance of ten (10.00) feet, thence curving to the left with a radius of ten (10.00) feet, for a distance of fifteen and seventy-one hundredths (15.71) feet, thence by land of J. P. Cochrane, liquidator, N61-08-30E for a distance of ten (10.00) feet to the point of beginning. Said description being a part of lot No. 25 as shown on a plan of the Shaw estate, town of Swampscott, dated June 17, 1914, and contains twenty-two (22.00) square feet.

Beginning at the point of curve on the Southerly line of Aspen road, said point being the Northeast corner of land owned by J. P. Cochrane, liquidator, (Tillson and Stanborn), thence curving to the left with a radius of one hundred forty-two and thirty-six one hundredths (142.36) feet, along the Southerly line of Aspen road for a distance of fifty-five and fifteen one hundredths (55.15) feet, thence curving to the right with a radius of ten (10.00) feet, for a distance of nineteen and fifty-eight one hundredths (19.58) feet, thence S61-08-30W for a distance of forty and seventy-three one hundredths (40.73) feet, thence curving to the left with a radius of one hundred ten and seventy-nine one hundredths (110.79) feet, for a distance of thirty-four and fifty-three one hundredths (34.53) feet, thence by land of Roger W. Pope S83-45-30E for a distance of forty-two and fifty-three one hundredths (42.53) feet, thence by land of Roger W. Pope S24-14-10E for a distance of ten and twenty-four one hun-

dredths (10.24) feet, thence by land of Mary E. Desmond N61-08-30E for a distance of sixty and fifty-four one hundredths (60.54) feet to the point of beginning, said description being a part of lot No. 223 as shown on a plan of the Shaw Estate, and located in the Town of Swampscott, dated June 17, 1914, containing two thousand nine hundred fifty (2,950) square feet.

Beginning at the point of curve on the Northerly line of Millett road, said point being the Southeast corner of lot No. 32 owned by Roger W. Pope, thence curving to the left with a radius of one hundred (100.00) feet, along the Northerly line of Millett road for a distance of one hundred fifty-seven and eight one hundredths (157.08) feet, thence N66-07-20E by lots No. 29 and No. 30, for a distance of fifty-nine and thirty-four one hundredths (59.34) feet, thence curving to the left with a radius of forty (40.00) feet, by lot No. 30 for a distance of thirty-six and forty-six one hundredths (36.46) feet, thence N13-54-00E along the dividing line of lots No. 30 and No. 31 for a distance of twenty-one and sixty-nine one hundredths (21.69) feet, thence curving to the right with a radius of one hundred ten and seventy-nine one hundredths (110.79) feet, on lots No. 31 for a distance of fifty-six and eighty-two one hundredths (56.82) feet, thence by land of J. P. Cochrane, liquidator, S83-45-30E for a distance of forty-two and fifty-three one hundredths (42.53) feet, thence by land of J. P. Cochrane, liquidator, S24-14-10E for a distance of ten and twenty-four one hundredths (10.24) feet, thence curving to the left with a radius of seventy and seventy-nine one hundredths (70.79) feet on lot No. 31 for a distance of fifty-eight and thirty-seven one hundredths (58.37) feet, thence S13-54-00W on lot No. 31 for a distance of forty-five and nine one hundredths (45.09) feet, thence curving to the left with a radius of forty (40.00) feet on lots No. 31 and No. 32 for a distance of twenty-six and thirty-seven one hundredths (26.37) feet, thence S23-52-40E on lot No. 32 for a distance of forty-eight and six one hundredths (48.06) feet to the point of beginning. Said description being a part of lots No. 29, 30, 31, and 32 as shown on a plan of Ocean View, in the town of Swampscott, dated October 1910, containing six thousand two hundred forty (6,240) square feet.

Article 35. To see if the town will vote to remove the drain pipe from the premises at No. 515-517 Humphrey street, which was placed on said premises without the taking of any easements, and to appropriate money therefor as petitioned for by Amato Pagnotta et al.

Article 36. To see if the town will vote to purchase a police hospital ambulance and that the sum of \$3,000 be appropriated therefor as recommended by the Chief of Police.

Article 37. To see if the town will vote to exchange the 1930 Chevrolet police patrol car for two small roadsters, equipped with short-wave radio receiving sets, and that the sum of \$1,160 be appropriated therefor as recommended by the Chief of Police.

Article 38. To see if the town will vote to install the police teletypewriter service at the police station and appropriate money therefor as recommended by the Chief of Police.

Article 39. To see if the town will vote to authorize the Chief of Police to exchange two 1929 Harley-Davidson motorcycles for one small single cylinder motorcycle and appropriate \$190 therefor.

Article 40. To see if the town will vote to purchase a 750 gallon Triple Combination Motor Pumper and equipment, to replace the old Chemical Combination now in service at the Phillips Beach Fire Station, and appropriate money therefor, as recommended by the Board of Fire Engineers.

Article 41. To see if the town will vote to appropriate \$360.00 to make necessary changes in the charging and battery plant of the fire alarm system, as recommended by the Board of Fire Engineers.

Article 42. To see if the town will vote to purchase 500 feet 2½ inch cotton rubber lined fire hose and appropriate \$500.00 therefor as recommended by the Board of Fire Engineers.

Article 43. To see if the town will vote to construct a sewer in Hillcrest circle and Upland road a distance of about 425 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 44. To see if the town will vote to transfer from the Water Available Surplus \$5,000.00 to Water Emergency fund as recommended by the Water and Sewerage Board.

Article 45. To see if the town will vote to appropriate the sum of \$8,000, or any portion thereof, to be expended by the Board of Park Commissioners, for filling and grading a portion of Phillips Park in order to make the same usable for athletic activities, as recommended by the Park Commissioners.

Article 46. To see if the town will appropriate money to be expended by the Board of Park Commissioners to make repairs and alterations to the Administration Building, so-called, at Blaney Beach, as recommended by the Park Commissioners.

Article 47. To see if the town will vote to authorize the purchase of a truck with a dump body and hydraulic hoist for the use of the Park Department and appropriate money therefor as recommended by the Park Commissioners.

Article 48. To see if the town will vote to take by eminent domain or by purchase, or both, for public park purposes, the following land, bordering on Jackson Park, and appropriate money therefor, as recommended by the Park Commissioners.

Beginning at the intersection of the Northerly boundary line of Jackson Park and the westerly side line of The Greenway, thence Northwesterly by Jackson Park to the intersection of the Westerly lot line of Lot No. 21, as shown on Plate 12 of the Assessors' Plans, of the Town of Swampscott, thence Northeasterly by lots No. 21 and No. 99 to the intersection of the Westerly side line of The Greenway, thence Southeasterly along the Westerly side line of The Greenway to the point of beginning.

Said description meaning to convey Lots "A" and No. 7 to 21 inclusive as shown on Plate 12 of the Assessors Plans of the Town of Swampscott.

Article 49. To see if the town will vote to take by eminent domain or by purchase, or both, for public park purposes, the following land located within the boundaries of the State road, so-called, Walker road, and the location of the Boston & Maine Railroad, and appropriate money therefor as recommended by the Park Commissioners:

Beginning at the Northwest corner of lot No. 3 as shown on Plate 15 of the Assessors Plans of the Town of Swampscott, thence Easterly along the Southerly side line of Paradise road to the intersection of the Westerly property line of lot No. 41 as shown on the above mentioned plans; thence Southerly by lot No. 41, thence Southwesterly along the rear lot lines of lots No. 41, No. 40, No. 39, No. 38, No. 37, No. 36, No. 35 and No. 34, thence Southeasterly by the West side line of lot No. 34 to the intersection of the Northerly side line of Walker road, thence Southwesterly along the Southerly side-line of Walker road to the Northerly line of the Boston & Maine Railroad location, thence along the Northerly line of the Boston & Maine Railroad location to the intersection of the rear property line of lot No. 2, thence Northeasterly by lot No. 2 and a right of way

to the Westerly side line of lot No. 3, thence northeasterly by lot No. 3 to the point of beginning.

Said description meaning to convey lots No. 3, No. 4, No. 32 and No. 33 as shown on plate No. 15 of the Assessors' Plan of the town of Swampscott.

Article 50. To see if the town will vote to take any action to limit the number of town offices which may be held at one time by any one person as petitioned for by James W. Buchanan et al.

Article 51. To see if the town will vote to take any action to limit the total compensation to be paid to any one person holding more than one town office at one time as petitioned for by James W. Buchanan et al.

Article 52. To see if the town will vote to provide a suitable and permanent Honor Roll of World War veterans, who were residents of Swampscott at the time of answering the call to arms, said memorial to replace the temporary Honor Roll formerly located on Town Hall lawn, and appropriate money therefor, as petitioned for by the Leon E. Abbott Post 57, American Legion and Joseph L. Stevens Post 1240, Veterans of Foreign Wars.

Article 53. To see if the town will vote to transfer to Joseph L. Stevens Post 1240 Veterans of Foreign Wars, the so-called G. A. R. Hall, and the premises appurtenant thereto, and under what conditions, if any, as petitioned for by Joseph L. Stevens Post 1240, Veterans of Foreign Wars.

Article 54. To see if the town will vote to appropriate a sufficient amount of money to be expended for a fitting and proper celebration of Independence Day on July 4, the next, as petitioned for by the American Legion, Veterans of Foreign Wars, Red Men, Odd Fellows and Knights of Pythias.

Article 55. To see if the town will vote to change from a residential zone to a business area the property owned by Grace S. French located on Humphrey street bounded on the east by Cardillo terrace and on the west by Glen road and shown on Assessors' Plan No. 23, lot No. 10, as petitioned for by Abram French et al.

Article 56. To see if the town will vote to change from a residential zone to a business area the property on Humphrey street and King's Beach terrace as shown on Assessors' Plan No. 1, lots 122, 175, 176 and 181 for the purpose of erecting a theatre thereon as petitioned for by John J. Foley et al.

Article 57. To see if the town will vote to transfer the sum of \$3,000 from the Cemetery Lots fund and income to the account of Cemetery Improvement for the purpose of continuing the work at the cemetery.

Article 58. To see if the town will appropriate the sum of \$10,000 to be used by the Board of Selectmen in furnishing materials, trucks, supervision as may be required of the town in providing Civil Works Administration projects.

Article 59. To appropriate and raise by borrowing or otherwise, under any general or special law which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

The polls will close at 6 P.M.

And you are directed to serve this Warrant by posting an attested copy thereof at the Town Hall, the Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this nineteenth day of January, A.D., 1934.

C. FRANK HATHAWAY,
R. WYER GREENE,
EDWARD LACROIX,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.
